

Experience LIFE in the Park

NOTICE OF 2011 UTILITY RATES

Annually, the City of St. Louis Park reviews its utility rates taking into consideration the current year budget for operations, the multi-year Capital Improvement Plan and the Long Range Financial Management Plan in determining if current rates will allow each fund to remain sustainable in the long term. Based on these analyses, the City Council authorized an increase to the City’s utility rates for 2011.

Water Rates (1 unit equals 750 gallons)

Residential	Units	2011	2010
