

Winter Parking Permit Information

Although St. Louis Park's snow removal ordinance restricts parking after a snowfall, permits for on-street parking are granted under special circumstances. Any vehicle displaying a City-issued permit may park on the street during snow removal operations. If you have any questions, please call (952) 924-2563.

The Ordinance

Whenever it snows three or more inches, no parking is allowed on the street at **anytime**. On-street parking is permitted **after** the street has been plowed to the curb.

Permit Criteria

To qualify for a parking permit (good for the 2009-2010 winter), households must meet one of these criteria:

1. The household has NO garage **or** driveway (*no fee for permit/limit two permits per household*), or
2. The household has off-street parking for only one vehicle, but owns **two** vehicles (*no fee for permit/limit one*), or
3. The household has off-street parking for only one vehicle, but owns **three or more** vehicles (*receives one free permit and pays \$125 for the other permit*), or
4. The household has off-street parking for two vehicles, but owns three or more vehicles (*\$125/permit, limit two*), or
5. The household requires the aid of a licensed caregiver but does not have sufficient off-street parking for the caregiver's vehicle (*\$25 fee for permit/limit one permit per household*).

Permit Rules

1. No more than two (2) total permits per address (caregiver permits do not count). *You may place the permit in any vehicle identified below in the application section.*
2. The permit must be hung from the vehicle's rearview mirror whenever it is parked on an unplowed street.
3. The permit is valid **only** in front of the permit holder's address. Vehicles parked in front of a neighbor's house or other addresses are subject to the same ticketing and towing penalties as non-permit holders.
4. Please be aware that even permitted vehicles will be plowed in when snowplows pass by. Permitted vehicles **must** be moved within 24 hours of being plowed-in or they are subject to tagging and towing.

How to Apply

Please fill out the application below. Mail your application and check (made payable to the "City of St. Louis Park", if applicable) to: Municipal Service Center, 7305 Oxford Street, St. Louis Park, MN 55426. After receiving your application, the Streets Supervisor will review your parking situation to see if it meets the permit criteria. If your application is accepted, your permit will be mailed to you. If your application is denied, you will be notified in writing.
