

# St. Louis Park Green Business Application

The City of St. Louis Park, Waste Management, and Keep America Beautiful bring you the St. Louis Park Green Business Program – a free program designed to recognize local businesses that make environmentally friendly choices in managing their resources.

## **What is a Green Business?**

A green business manages resources as an environmental steward. See some examples below.

### **Recycle:**

Recycling program included in contract with waste hauler.

Buy and/or sell recycled products.

### **Reduce:**

Reduce amount of packaging.

Revise forms, computerize, reducing use of paper.

### **Reuse:**

Reuse solvent or by-products generated on-site or from another business.

Reuse shipping pallets and shipping materials.

## **How are the applications evaluated?**

City staff evaluates applications on an individual basis for each business to determine whether the business is an environmental steward based on the application submitted.

## **What are the incentives and awards?**

### **Award Ceremony with City Council –**

November 2006 – receive recognition, certificate to hang in business, ad in paper, on city web site, in Park Perspective and on cable channel.

**Education** – annual newsletter, updates, other education as available.

**Membership roll** – your business name will be included in the membership list annually.

## **How can I nominate my business?**

Complete this application and send it to the city by August 30, 2006.
