

City of St. Louis Park
PLANNED UNIT DEVELOPMENT APPLICATIONS
General and Specific Requirements and Instructions

It is through the development, redevelopment, and preservation of the City in accordance with the City's Comprehensive Plan, development standards, and zoning requirements that the City is shaped to the form and characteristics deemed desirable and suitable.

Review and analysis of a requested Planned Unit Development must occur within this context; therefore, to make the application complete and to permit formal acceptance of your application by Community Development, the applicant must do or provide the following information.

1. Prior to filing an application and completion of PUD plans, the applicant should meet with Community Development to review and discuss a concept plan for a proposed Planned Unit Development.
2. The applicant must be the current fee owner of the property or have written approval from the owner or the owner's signature must be on the application.
3. A **complete and accurate legal description** must be submitted. If the property is Torrens, a copy of the most current certificate of title must accompany the application. If the property is not Torrens, a copy of the most recent document which transferred title (i.e. Warranty Deed) must accompany the application.
