

January, 2008

Dear Pool Renter,

The St. Louis Park Rec Center Aquatic Park, one of the premier family aquatic parks in the metro area, is now accepting reservations for the 2008 season. The Aquatic Park will open Friday, June 6 and will remain open through Wednesday, August 27. The park features two-four story water slides, a zero-depth entry pool, deep water play area with a diving board and drop slides and an interactive wet sand play area for the little ones. The Rec Center Aquatic Park is the perfect place for your group's summer party.

The Aquatic Park is available for private rental after it closes to public. This is another way to make your mid-summer team builder an unforgettable one. Private rental hours are from 8:30 – 10:00 p.m. Monday through Friday, or 7:30 – 10:00 p.m. Saturdays and Sundays. New for 2008: The pool will close early in August, so it will be available for private rentals during the week at 7:30 beginning August 4. The cost is \$340 per hour and can be prorated to the half hour.

Your group can bring in coolers with food and drink or you can have your event catered. Although our concession stand is not open during private rentals you are welcome to use the concession patio, tables, the covered picnic shelter and all picnic areas. Alcohol is NOT allowed in the Aquatic Park.

Your rental includes full use of the aquatic park and all of its slides and water features and a full lifeguard staff. There is no individual admission charge for your group members (unless they arrive early while the pool is still open to the general public).

Enclosed you will find a private rental application for the Aquatic Park. To reserve your date, fill it out and return it with a \$100 deposit with your application. You may call or email in advance to find out available dates.

If you need more information, please contact me at 952-924-2539 or by email, jbuskey@stlouispark.org. Hope to see you at the pool soon!!!

Sincerely,

Jenny Buskey
