¹⁴Standard installations include up to 125 feet from existing Comcast plant, primary outlet only.

Effective with your January 2011 billing statement, the amount of franchise fees passed through and reflected on customer's bills per FCC regulations will be adjusted to reflect actual franchise fee payments for the previous year. The franchise fee Comcast is obligated to pay Local Franchising Authorities may change. Prices exclude applicable franchise fees, regulatory fees, taxes and other franchise related fees. Comcast service is subject to the terms and conditions of Comcast Cable Policies and Practices. Pricing, programming, channel location and packaging is subject to change. All rates apply to standard installations and/or monthly services on residential accounts only, and do not include fees and taxes. Non-standard installations are based on the hourly service charge times actual time spent on the activity. You must subscribe to Basic Cable to receive other levels of service excluding High-Speed Internet and/or CDV Service. For some services a converter and remote is required at an additional charge. A modem is required for High-Speed Internet and/or CDV service. Rates may vary by area and are subject to change. Commercial fees vary. Services subject to availability. Other restrictions may apply.

XFINITY INTERNET: Speeds stated are for download and upload, respectively. Many factors affect speed. Actual speeds vary and are not guaranteed. PowerBoost® as included with select XFINITY Internet plans provides a burst of additional download and upload speed for the first 10 MB and 5 MB of a file, respectively. Not all features are compatible with Macintosh Systems. Professional installation (for an additional fee) is required for non-XFINITY TV customers, and rates vary according to service area. Self-Install Kit, requires customer installation, and may only be used for existing cable wired outlets, (not available in all areas or with Extreme 105). Shipping, handling and other charges may apply.
