July 6, 2018

RE: Cedar Lake Road improvement project

Public meeting - Wednesday, July 25, 5:30 - 7:30 p.m.

Dear property owner/resident:

Cedar Lake Road, between Kentucky Avenue and Quentin Avenue, is scheduled for rehabilitation during the 2019 construction season. This project includes pavement replacement, intersection improvements, a new bicycle facility, new sidewalk, trail replacement, watermain replacement and miscellaneous utility repairs. A map showing the location for the improvements is attached.

You are invited to a public meeting to discuss the Cedar Lake Road improvement project scheduled for:

Wednesday, July 25, 5:30 - 7:30 p.m.
Presentation at 6 p.m.
St. Louis Park City Hall – 1st Floor Community Room
5005 Minnetonka Blvd., St. Louis Park, MN 55416

The purpose of the public meeting is to gather feedback on the project and answer questions. At this meeting, you’ll learn more about the proposed project, including information about the overall street rehabilitation project, provide feedback on new bicycle and sidewalk facilities, and communicate important issues which should be addressed with the construction project. You’ll also learn about future meetings in which your input will be requested and taken into account when making final plans for the project.

Throughout the public participation process, city staff is committed to keeping residents informed, listening to and acknowledging your concerns, and providing feedback on how resident input influenced final plans.

If you have any questions, or are unable to attend the meeting and would like to make arrangements to discuss this project at another time, please call me at 952.924.2552 or email at jshamla@stlouispark.org. We look forward to working with you and your neighbors.

Sincerely,

Joseph Shamla
Joseph Shamla, P.E.
Sr. Engineering Project Manager

CEDAR LAKE ROAD PROJECT
QUESTIONNAIRE

Please return this questionnaire by July 25 to one of the following:

- Mail to City Hall, Attn: Engineering Department, 5005 Minnetonka Blvd., St. Louis Park, MN 55416
- Bring to the meeting (5:30 p.m., July 25 at the St. Louis Park City Hall – 1st Floor Community Room)
- Email to: mikewa@bolton-menk.com

Cedar Lake Road is scheduled for improvements in 2019. The scope of the project generally includes:

- Addition of sidewalk
- Adding a bicycle facility to the corridor
- New roadway pavement
- Watermain replacement

This questionnaire is a valuable resource for the city for shaping the way these improvements are completed. Your comments and concerns are greatly appreciated.

Yes  No  Have you observed areas of poor drainage in the street or in your yard? If ‘yes’, please describe:

____________________________________________________________________________________________________________

____________________________________________________________________________________________________________

Yes  No  Do you have an underground irrigation system along Cedar Lake Road? If ‘yes’, please provide address:

____________________________________________________________________________________________________________

Yes  No  Do you have an underground pet containment fence (i.e. dog fence or other) along Cedar Lake Road? If ‘yes’, please provide address:

____________________________________________________________________________________________________________

General comments/questions

Please describe any other items you suggest be considered as part of this project or comments related to the corridor:
