Sept. 13, 2018

RE: Public hearing: 2019 Cedar Lake Road improvement project
    Monday, Oct. 1, 2018, 7:30 p.m., City Hall Council Chambers

Dear resident or property owner:

The city council will hold a public hearing for the Cedar Lake Road improvement project on:

    Monday, Oct. 1 at 7:30 p.m.
    in the City Hall Council Chambers
    5005 Minnetonka Blvd., St. Louis Park, MN 55416

The scope of this project includes road reconstruction, intersection upgrades, bikeway, sidewalk, watermain and streetlights. Prior to opening the public hearing, staff will present two options for consideration by the city council for Cedar Lake Road. The main difference between the two options is parking versus no parking in the corridor. Staff will be asking city council to approve a preliminary layout so that work can proceed on the final plans. View the two options on the project website:

www.stlouispark.org/cedar-lake-road

After the presentation, you will have an opportunity to speak to the city council about this project. The council will vote at the Oct. 15 city council meeting to determine which alternative is approved to proceed to final design.

We encourage you to attend this public hearing. If you cannot make it but would still like to address the city council, provide me with your comments in a letter or email to share with the council. Comments provided at the open houses and by email will be shared with the city council as long as they are received by Sept. 24.

I can be reached by phone at 952.924.2552 or email at jshamla@stlouispark.org if you have any additional questions or comments.

We look forward to working with you and your neighbors.

Sincerely,

Joseph Shamla, P.E.
Sr. Engineering Project Manager
