

28th Street West – Open House #2

April 9, 2019

Process

- November 2017 open house
- Develop alternatives
- Collaboration with MnDOT
- MnDOT response
- Design options
- Cost estimation
- **Next steps**

Recommendations

- Staff findings: No safe, cost effective design that will be allowed by MnDOT.
- Staff will be asking council if we should:
 - Remove from Connect the Park
 - Put on hold until future project
 - Continue to progress with design
- Staff recommendation is to suspend consideration indefinitely.

Before we go.....

- Thank you!
- Question and answer continued
- Open house
