

Listening session with Anne Mavity

Wednesday, May 29

6:30 – 8:30 p.m.

Browndale Park Building

Discussion topics include:

- How can we best create the walkable, bikeable, and connected community we envision for St. Louis Park?
- Connect the Park proposals for Browndale and Minikahda Vista neighborhoods
- Proposal to create a new bike facility

There is a project location map on the back of this flyer.

For more information, please visit the Connect the Park website at connectthepark.org. Click on 2018 projects for details regarding this project area.
