

# Listening session with Anne Mavity

Thursday, June 13

6:30 – 8 p.m.

Browndale Park Building

Discussion topics include:

- How can we best create the walkable, bikeable, and connected community we envision for St. Louis Park?
- Connect the Park proposals for Browndale and Minikahda Vista neighborhoods
- Proposal to create a new bike facility

There is a project location map on the back of this flyer.

For more information, please visit the Connect the Park website at [connectthepark.org](http://connectthepark.org). Click on 2018 projects for details regarding this project area.
