2019 Pavement Management Update #18

Update of the construction activities to expect this week (August 12) and the following week (August 19):

Phase 1 (see Phasing Plan)

- Sumter Avenue, Rhode Island Avenue, Pennsylvania Avenue and Oregon Avenue
  - Topsoil placement is scheduled to begin within the week on various streets in the project area. This work will take time to complete. Sod installation will begin within a week after topsoil placement to prevent weeds from growing in the new topsoil (weather dependent).

- Quebec Avenue, Nevada Avenue, 23rd Street and Kentucky Lane
  - Contractor continues to work on concrete driveway aprons and hand installed concrete curb locations this week.
    - Please stay off any new concrete for a period of 7 days.
    - Once the 7-day period is over, the contractor will ramp your driveway aprons so you can start using your driveways to park your vehicles.

- 24th Street
  - No work currently scheduled.

Phase 2

- 14th Street, 13th Lane and 13 1/2 Street
