As a white blanket settles over the Browndale Neighborhood, and the magic of the holiday season twinkles in the form of snowflakes, lights, champagne and a little extra kindness, I am thankful for another year spent amongst friends.

Participating in the Browndale Board this last year has reinforced my impression that we live in a truly special and unique place, where we celebrate together, where we meet at the park on sunny (and snowy) days and where we give each other a hand with stuck cars and cups of sugar.

In the spirit of gratitude, I’d like to thank the outgoing members of the board, especially our President, Abby Brown, who planned, prepared for and volunteered to make our great events happen this year! Being a member of the board is a fun volunteer opportunity. It is also a commitment, which we very much appreciate folks continuing to take on!

I’d also like to thank neighborhood volunteers who helped at events, lent items and generally helped make events special. It takes a village, and it’s clear we have that in this neighborhood.

Lastly, those who made monetary donations, whether through advertising or donations at events - it is thanks to your support that we continue to enjoy gathering as neighbors on a regular basis.

Here’s wishing you a cheerful holiday season, and a cozy, healthy new year! Look for a Newsletter with the 2020 event calendar and more in February!

DOLLARS FOR SCHOLARS

In the spirit of giving and supporting our neighbors, please consider a donation to DOLLARS FOR SCHOLARS.

This scholarship program, which has been a Browndale tradition since 1995, directly benefits a high school senior living in our neighborhood as they continue their education.

What a wonderful way for us as a community to help ease the financial burden for one of our own students.

For more information or to donate, please visit www.stlouispark.dollarsforscholars.org.

If you prefer to mail in a donation, please contact us at browndaleslp@gmail.com, and we’ll get forms to you.
Thank you to all who joined us for Bonfire & Bluegrass in October!

It was a chilly evening, but we kept warm around the fire and in the warming house, listening to the toe-tapping tunes of The Bluedrifters Bluegrass Band!

Congratulations to our Chili Cookoff Winners, Rob, Ted and Brett, who took home gift cards from Penny’s Coffee, Bunny’s Bar and Grill and Top Ten Liquors, SLP!

We also elected some amazing new neighbors to our Browndale board....look for more on that in our Spring Issue.

If you weren’t able to attend, we have some awesome Browndale Swag for sale!! Email browndaleslp@gmail.com to place an order!!

SNOW EMERGENCY

Snow emergencies are declared in St. Louis Park based on two scenarios:

1. After or during a significant snowfall, generally 3 or more inches of snow accumulation.

2. In advance of an approaching storm which is forecasted to produce at least 6 inches of snow. Timing, duration, intensity and estimated snow amount are factors in determining if a snow emergency is warranted ahead of the storm.

During a snow emergency, you must park your vehicle off the street to avoid ticketing and towing until the street is plowed to the curb. As soon as your street is plowed to the curb, you may park vehicles on the street.
