Feb. 4, 2020

RE: 2020 Alley Rehabilitation Project

Public Meeting: Thursday, Feb. 20, 2020 – 6:00 - 7:00 p.m.

Dear Resident:

In 2020 the alley behind your home is scheduled for reconstruction. The alley will be regraded, drainage will be addressed, and the new surface will be concrete. A location map is attached. To learn more about this project, you are invited to a presentation and discussion scheduled for:

Thursday, Feb. 20, 2020 – 6:00 - 7:00 p.m.
St. Louis Park Municipal Service Center, 7205 Oxford Street
MSC Lunchroom – 2nd Floor
Presentation at 6 p.m.

At this meeting, you will learn what to expect during construction, have the opportunity to review the preliminary plans, and provide feedback to staff. Staff will use the comments received at this public meeting to help guide the final design for this project. Please let us know if you would like a copy of the plans to review prior to the meeting.

Due to a change in policy by the city council, this project will be paid for using city funds. There will be no special assessments charged to the adjacent property owners.

If you have any questions or are unable to attend the meeting and would like to make arrangements to view the layouts at another time, please call me at 952.924.2687 or email me at pelkin@stlouispark.org.

Sincerely,

Phillip Elkin, P.E.
Senior engineering project manager
