...support The
Lenox Foundation, Inc.

The Lenox Foundation Fund benefits the St. Louis Park Senior Program, a senior program with a long history. The Foundation has supported the Senior Program for more than 15 years, allowing the Program to provide a wide range of services to more than 500 seniors each week.

The Program provides social, educational, and health-related services including a weekly ballroom dance group, expert lectures from the humanities field, health insurance counseling, and a seniors' video club.

In September 2005, the Senior Video Club (SVC) began offering a simple VHS-DVD transfer service. For a \$10 donation to the Lenox Foundation, you can have a ½ hour up to a two hour home video (VHS) recording transferred to DVD. From one or two VHS tapes, you can have a continuous recording transferred. Please preview your tape and determine how long the recording is, and indicate that on the cassette label.

If you have more than one tape, include a note indicating which tape should be first on the DVD. This service is offered monthly... the transfer to DVD will be completed within 30 days, or less. VHS recordings, displaying copy prohibition, not included.

Bring your check, made out to The Lenox Foundation, Inc. to the Community Education secretary in room 104. She will give you a receipt, and you can then put your VHS tape in your bag or your envelope with your receipt, mark it as "VHS for SVC DVD" with your name and phone number on it, and leave it on the "will call" credenza near the secretary's desk. Then call John McHugh (952-924-2528) at City Hall Community TV (SVC) and leave a voicemail message that your tape is ready for transfer.

Please contact John McHugh with any questions you may have. 952-924-2528, or jmchugh@stlouispark.org 11-14-2014
