Answered: 91 Skipped: 34

#	Responses	Date
1	Traffic rarely stops at our corner stop sign. Coyotes are a threat to our small dog. Neighbor across the street parks in front of their house and our house at the same time (different vehicles) constricting traffic.	5/31/2017 11:11 PM
2	Vehicular traffic- the frontage road (Westside Drive) parallel to Highway 100 (will share more in the additional comments) Parking- more often than not, due to parking on both sides and tight roads, driving in the neighborhood results in waiting for other cars to pass through. Certainly not the end of the world, but can be frustrating. Thefts- Our house was broken into and items taken when on vacation back in 2014. Since then, we have had 2 neighbors who have had theft happen with breaking in of their homes or garages, all locked.	5/31/2017 3:14 PM
3	During day, parking in same place for days. Reported it, turned out abandon vehicle. Footprints in snow all around side of home/windows/porch and back yard between 11pm and 6am	5/29/2017 9:52 PM
4	running the stop signs near Sunshine park A dog that barks often on Webster ave, cars get broken into, often people hanging out at Sunshine after hours	5/25/2017 5:40 AM
5	Tire thefts reported on NextDoor	5/24/2017 6:56 PM
6	Cars cutting thru neighborhood. Dog barking 27th & Utica Ave area.	5/24/2017 5:02 PM
7	Just normal traffic on Minnetonka	5/24/2017 3:48 PM
8	2900 block of Blackstone. There are vehicles driving on Blackstone in the evening with very loud music. I can hear it over my television and sometimes wakes me up.	5/23/2017 10:25 PM
9	Hopefully, with Hiway-100 done, we will see less traffic in our neighborhood but in the afternoon we are the "replacement" for Hiway-100 and it is awful.	5/22/2017 10:11 AM
10	Traffic - too much speeding on Zarthan, past Birchwood park, and through 28th and Alabama intersection area. People are using Zarthan and then 28th as an alternate route to Mtka Blvd and are going fast. They also use Alabama to go north from Minnetonka and continue on to the area of townhomes north of 27th st, and often ignore the Alabama and 28th stop signs, or drive through fast. Thefts - many neighbors have had tires stolen, garages broken into, and things stolen from their yards.	5/20/2017 10:34 AM
11	Parking on Alabama north of Minnetonka Blvd is unacceptable. They should not be allowed to park on both sides of the street.	5/16/2017 5:54 PM
12	New Thai Buddest temple parking lot has a trail that leads to Vernon Ave, and it's a pedestrian / biking trail. Cars have been using it for years to access Birchwood, but recently with the construction, it has been more than just a sporadic occurrence. I know that neighbors have had cars broken in to in the past; I had a kid a couple years back jump on my car and damage the hood of it.	5/16/2017 5:52 PM
13	I've heard of car break-ins, stolen car wheels, and stolen cars near Birchwood (if not in Birchwood, because I'm not sure of the boundaries). These were all aorund 26th & Alabama from what I understand.	5/15/2017 11:06 AM
14	speeding on Vernon Ave. after work for people	5/12/2017 6:54 PM
15	people cutting through our alley from Utica, impossibility of exciting our alley to Hwy 100 because of endless streams of traffic on Utica entering Hwy 100 and blocking our alley exit at morning and evening rush hour, streams of traffic from Utica making it difficult to exit the other end of the alley on 27th St. at rush hour, people speeding and not stopping at stop signs - 27th & Vernon & 27th & Utica, people parking in front of our access to the street in winter. (right now with Utica closed for construction the traffic problems have stopped)	5/11/2017 9:23 AM

2017 District 42 Birchwood Neighborhood Survey

16	Many people drive at high speeds and very few people come even close to a complete stop. In particular, I'm referencing Xenwood Ave between 27th and Minnetonka Blvd, and 27th between highway 100 and Yosemite is particularly bad. Less proximal to my house is Vernon between 27th and Minnetonka blvd, but that street is really bad as well. I wish we could have more stop signs or speed bumps.	5/11/2017 8:58 AM
17	27th St off of HWY 100 - unsafe for children to ride their bikes. There are some streets with sidewalks and some not, cars don't always obey the stop signs. Parking on Alabama and Blackstone north of Minnetonka Blvd should only be allowed on one side of the street. Two way traffic and cars parking on both sides makes for drivers having to weave through the block. Thefts and suspicious activity - well, the tires off some vehicles, the garage/car attempted theft at 27th and Yosemite. These are things that pop up, but I don't feel threaten our lifestyle and have not brought violence to our neighborhood. Just better diligence as good neighbors is needed.	5/9/2017 10:36 AM
18	My yes for "thefts" is merely a reference to the rash of wheel thefts in the neighborhood in the past two months. For "vehicular traffic," there are some unsigned intersections - including one on our corner, 26th & Xenwood - that I find troublesome. I have seen cars racing through the unsigned intersection at 28th & Webster. I think both of those intersections should be signed.	5/9/2017 9:24 AM
19	Cars drive down Xenwood Ave daily speeding (there should be a few more stop signs at crossing streets). Most recently we have been dealing with tire thefts.	5/9/2017 12:07 AM
20	Too much traffic on Vernon Ave.	5/8/2017 8:27 PM
21	Drivers often do not obey the stop signs at 28th and Vernon as well as many stop signs on 27th between Vernon and Alabama.	5/8/2017 4:46 PM
22	I always worry about stray cats that have come to my patio door and cause stress for my cat - on 2 such occasions my cat has bitten me because of her stress. Neighbors parties and loud talking are annoying - usually they stop by curfew. I am aware of neighbors tires being taken off their vehicles. I sometimes wonder about people who park in front of my house, then walk off. I make it a practice never to answer the door if someone knocks - especially at night - unless I'm expecting someone.	5/8/2017 1:11 PM
23	Traffic from hwy 100 south through our neighborhood and failure to stop for the stop signs	5/8/2017 9:06 AM
24	Speeding is a major concern. My neighbors and their guests are always parked in front of my house. Most often, blocking my sidewalk.	5/8/2017 8:29 AM
25	Birchwood park some nights and around the basketball court at night	5/8/2017 7:48 AM
26	There appears to be almost no traffic enforcement in the city. I never see officers enforcing traffic laws in our neighborhood. There doesn't appear to be any proactive patrolling in our neighborhood. After the recent tire thefts, there was one day of visible patrol. Now, it's back to how it was. No squads in our area unless there's an emergency call.	5/7/2017 7:02 PM
27	Any stop sign on Vernon between 27th and Minnetonka could use some traffic enforcement. Well actually any traffic enforcement would be appreciated.	5/7/2017 3:20 PM
28	1. vehicular traffic on the frontage road to access Hwy 100 is still terrible. 2. I live on Yosemite Ave in Birchwood neighborhood. My neighbors always have cars on the street. There are times where it could be difficult for my family to have our own company because there are so many cars on the street in front of and across from my house. 3) recently there have been several cars where the wheels were stolen. We've had suspicious vehicles on our street. I didn't witness it myself, or I would have called it in. But I'm concerned with this unusual activity in and around Birchwood about the safety of my property.	5/7/2017 1:20 PM
29	It has lessened but still issues related to MnDOT work and now CenterPoint Energy construction related to traffic especially near Hwy 100. Excess vehicles cutting thru neighborhoods to avoid congestion. Heavy equip and semi operators ignoring traffic rules. Vandalism on the church and in its parking lot when it was unoccupied (the new Buddhist facility). Now the tire and wheel thefts from parked cars.	5/7/2017 11:00 AM
30	Road construction has increased drives cutting through the neighborhood. Increase in car and home theft.	5/7/2017 7:31 AM
31	Lots of theft activity has been occurring in 2016 and 2017 and it has me concerned. From what I'm hearing from neighbors, car theft and wheel/rims/tires, delivered packages, items from garages and cars ?!?! This is getting to be ridiculous how confident these hooligans are becoming. Also, LOTS of speedy drivers rip through alabama street to get to the town homes with no regard to pedestrians and neighborhood safety.	5/6/2017 10:22 PM
32	Cars blow through stop signs and speed frequently day and night. there are thefts from garages and lately tires off cars parked on the roads.	5/6/2017 9:33 PM
33	Have heard about robbery in the neighborhood on more than one occasion. Usually in garages.	5/6/2017 9:17 PM
34	Stop sight at Xenwood & 29 St. Is commonly ignored, and motorists coming south on Xenwood drive fast up over the hill where there are a lot of young kids.	5/6/2017 8:49 PM

2017 District 42 Birchwood Neighborhood Survey

35	We had a large piece of furniture delivered (Nextdoor neighbor confirmed) and was later stolen off our front step while we were at work. We'd barely moved in-less than 6 months, disheartening.	5/6/2017 8:46 PM
36	Traffic on Vernon can be problematic. Coyotes. Tire thefts. ALL neighborhoods have suspicious activity. I have not personally had any of the above issues at my home.	5/6/2017 8:44 PM
37	People cut through our neighborhood to avoid the freeway and they drive too fast. Lots of folks drive too fast. Theft from garages and sometimes homes is an issue as well.	5/6/2017 8:44 PM
38	Parking makes vehicle traffic difficult when parked on both sides of the street.	5/6/2017 7:56 PM
39	There are many cats that are allowed to roam freely by those in the neighborhood, and these cats kill the grass and plants of neighbors without cats.	5/6/2017 7:09 PM
40	I live on the frontage road (Utica Ave S) and cars speed through the neighborhood to bypass backed up Hwy 100 traffic and some don't even bother to stop at the stop sign on my corner. Regarding thefts and suspicious activity, I personally haven't experienced that at my property within the past year, but do read about it fairly often on the Nextdoor app.	5/6/2017 3:34 PM
41	I live on Vernon Ave, so I've been caught in the middle of all this construction. Big house being built and dumpster/construction vehicles all around. Utica Ave under construction and can't get to my kid's daycare. Corner of Minnetonka and Vernon now under construction. Lots of detours, nuisances. And property taxes keep going up. As for thefts, I've had packages stolen off my front porch (and checked with all sources to confirm delivery date/time/location/etc.) and many Birchwood neighbors say the same. Check Nextdoor app and you'll see some of it, but there's more that's talked about and not posted.	5/6/2017 11:37 AM
42	To many officer visits to 2634 Alabama Ave S?	5/6/2017 10:20 AM
43	My street in Birchwood is pretty quiet thank goodness but I know we have had drug activity in the past--I live in the 2600 block of Alabama Ave. South	5/5/2017 9:16 PM
44	4/29 wheel and tire theft infrin of our house	5/5/2017 5:35 PM
45	At the intersections near Sunshine Park on Vernon, people drive fast and barely stop - especially when road closures are happening. Thefts, I hear about on the Nextdoor app, but haven't experienced directly.	5/5/2017 11:32 AM
46	I have noticed a lot of speeding within the neighborhood. Particularly on Utica/frontage road and blackstone between 27th/28th as people try to take shortcuts through the neighborhood. Utica is terrible at rush hour and there is a constant stream of cars whizzing off the highway. It is hard to turn into the new horizon parking lot to pick up our son. We also do not feel safe with our kids riding bikes on the street. Regarding thefts, we have had several neighbors with cars or garages broken into. Cars stolen and crashed. And now wheels stolen. I definitely do not feel our cars are safe in this neighborhood and we haven't noticed increased police presence after these events either.	5/5/2017 8:43 AM
47	Vehicular traffic: cars speeding through neighborhoods at unsafe speeds. Parking: around North end of Birchwood Park when activities are at the park - it is difficult to see and frankly at times unsafe to try to drive through. Thefts: numerous garage breaking/thefts and tire thefts Suspicious Activity: cars driving slow or stopped in middle of road for a bit but if someone comes along (vehicle or on foot) takes off, but returns later and does similar thing	5/5/2017 8:00 AM
48	Alabama and Blackstone streets are too narrow for parking on both sides in snow months. Theft already answered may have occurred after dark.	5/4/2017 7:19 PM
49	I've noticed there are frequent reports of thefts on Nextdoor that are in Birchwood.	5/4/2017 12:11 PM
50	Neighbor down street in question. Lots of comings and goings at all times. Sometimes they meet people down the street. They keep to them selves but will wave. We have had our car gone through a couple times - mostly made a mess. Nothing if value in there. Same neighbor with drug activity suspicion.	5/3/2017 9:51 PM
51	I don't have specifics, I just know crime has increased and I RARELY see a police presence in our neighborhood	5/3/2017 7:54 PM
52	Traffic is bad on Vernon due to highway 100 over flow. Wish there was no through way to Minnetonka blvd. Neighbors dog is a nuisance barks every time we go in our fenced in yard and she's out. Barks when outside at all. It's annoying.	5/3/2017 7:18 PM
53	People park on my street and take the bus (Xenwood) They often park close to the corner creating problem for those turning off Minnetonka Boulevard. Always concerned about theft, random ransacking of vehicles.	5/3/2017 10:20 AM
54	4-way stops routinely ignored at: 29th and Vernon 27th and Vernon 27th and Utica Periodic patrolling is needed so drivers learn that they need to stop. Pedestrians and children/dogs are routinely at risk. Also, drivers are cutting it way too close turning left from Minnetonka Blvd onto Highway 100 North, in the face of oncoming traffic. Near-accidents are happening all the time.	5/3/2017 9:23 AM
55	based on comments/reports in NextDoor online forum	5/3/2017 8:50 AM
56	Neighbors across the street on 2600 Alabama maybe 2632? Or 2633? For years cops always there.	5/3/2017 8:47 AM

2017 District 42 Birchwood Neighborhood Survey

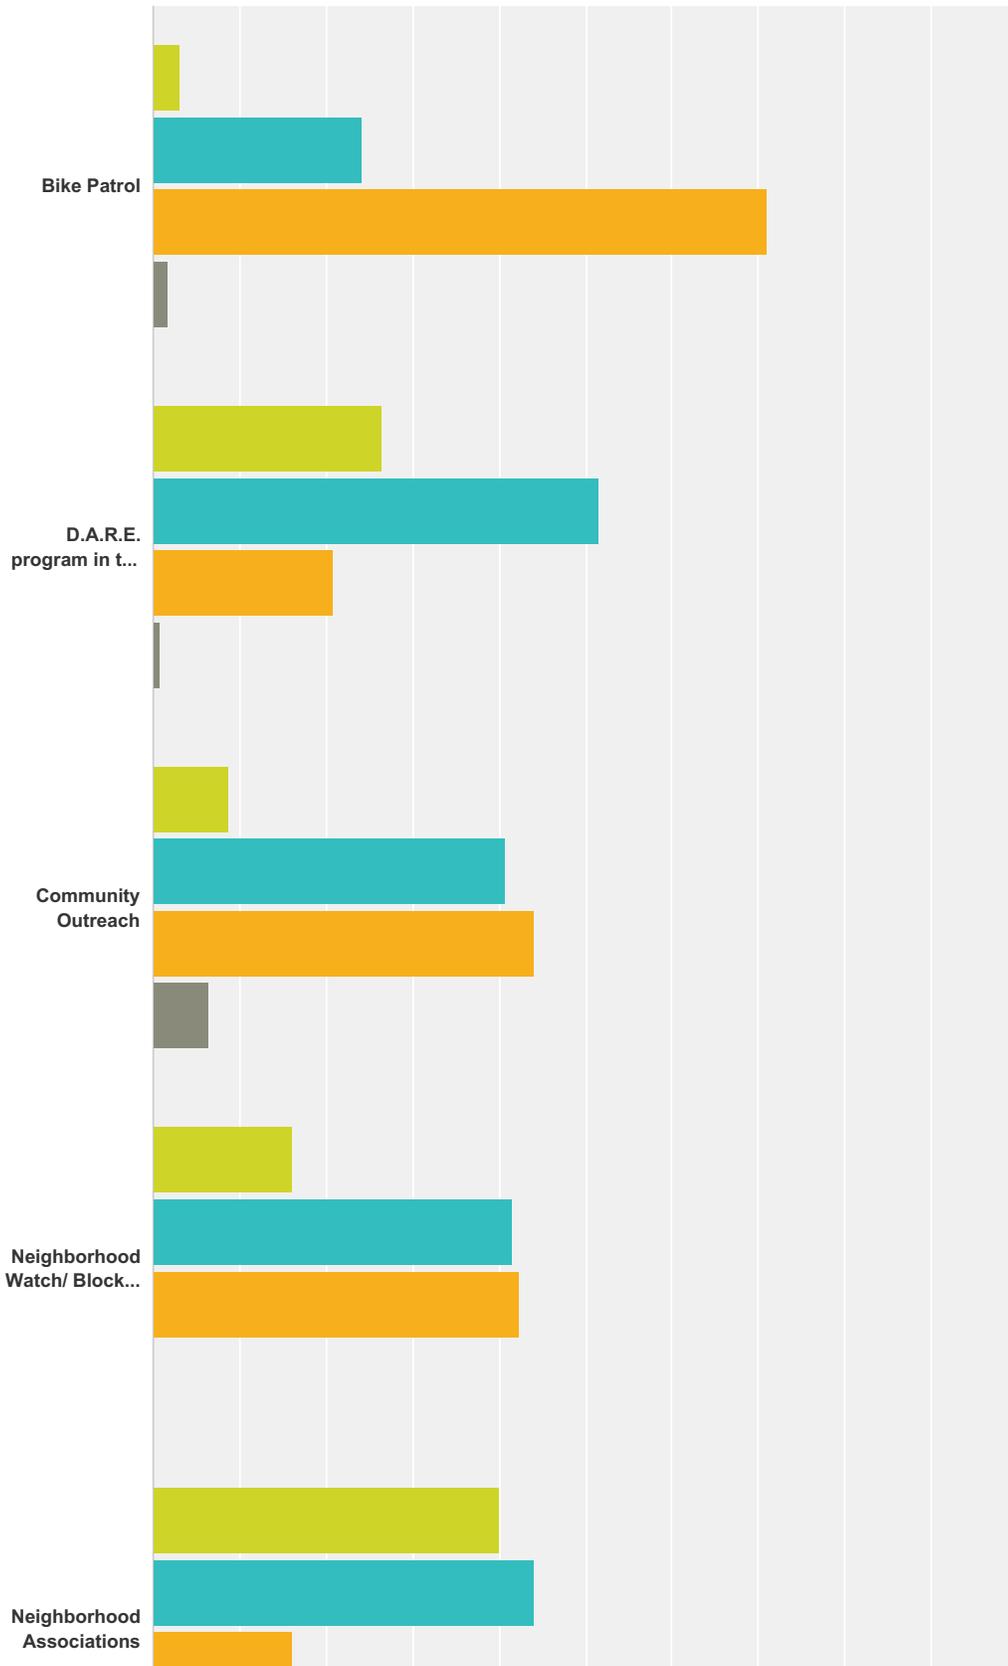

57	Rental properties with multi residents too many cars on street. Length of parking, I have had cars parked for more then week.	5/3/2017 6:58 AM
58	I track what is happening in the neighborhood by being on Nextdoor.com, in the Birchwood Nextdoor. My neighbors have reported packages stolen from their doorsteps as well as---this week!---tires and wheels being stolen from cars sitting on the street and even in their driveways. I believe there have been 4 thefts. This is new: it feels unsafe.	5/3/2017 6:27 AM
59	Cars speed through on Birchwood Ave north of Mtka Blvd, on-street parking for many neighbors as not much for driveways and one-car garages are typical, neighbor's dog poops on my front yard,	5/2/2017 11:44 PM
60	Disturbing parties/Noise: Loud neighbors when outdoors on weekends but homes so close together and usually within or close to noise compliance hours. Ex - weekends is midnight and people outside in back being loud until 12/12:30. Concerned this will escalate in the summer. Thefts: Recent tire/rim theft. My motion light went on last Saturday (technically Sunday) at 2:30am and I thought I heard footsteps. I went to look out my kitchen window after 2 minutes of listening and nothing there. I park my car in my driveway as I don't currently have a garage. Suspicious activity: Neighbors have extremely high level of activity, and multiple people (frequently wearing backpacks) and cars in and out on a very consistent basis. Not sure of amount of actual residents in the house, so multiple people may live there and significant others in and out constantly for example, but some cars very repetitive and some are not. People have also pulled in my driveway then realized wrong address and went next door. Greenhouse in back yard (could very well be vegetables for example or could be something else) UV Light in front window (could be completely innocent and just their preference of lighting). No proof of anything at all, and have only lived in my house 4 months, but have definitely noticed the traffic as have neighbors on the other side. Alabama Ave S.	5/2/2017 11:10 PM
61	Keep hearing about coyote sightings near our home.	5/2/2017 10:22 PM
62	On Utica Ave from 27th-28th-dead end (before the recent road work), many cars race south to the dead end (thinking to bypass the HWY 100 traffic), turn and race back north to go on their way. Once the roadwork is finished, is it possible to get a stop sign at 28th plus additional dead-end signage on the East side of the road?	5/2/2017 10:18 PM
63	Vehicular traffic down Utica Ave south of the Hwy 100 pedestrian bridge. We had an opossum in our window well. There was Graffiti in front of our house on the new wall.	5/2/2017 9:41 PM
64	Traffic: at 28th & Webster, cars frequently entering uncontrolled intersection fast without checking cross traffic; on Webster cars driving too fast for the surroundings; rolling through stop signs at 29th & Vernon; cars have turned left as a "second left turn lane" from unmarked center lane at SB Vernon/Lake and Mtka. Needs to be marked with an arrow for straight only. Animals: a couple of offleash dogs regularly. Noise: my new neighbors and guests, but I took care of it by walking over at 3 am (twice) and telling them we have a nice neighborhood and we're quiet around here. Thefts & suspicious activity: only what I've seen on Nextdoor.com. The alerts have caused me to be much more vigilant by checking doors, looking out windows, keeping an eye on neighboring homes.	5/2/2017 9:19 PM
65	We have a lot of none local traffic cutting through our neighborhood with the 100/169 construction. Most fly down Vernon at unsafe speeds. We have also had issues with garage breakins during the last year and package deliveries being stolen. None of these have occurred to me personally.	5/2/2017 7:59 PM
66	Two vehicles had their tires stolen on 4/29 in Birchwood neighborhood that I read on Nextdoor Birchwood.	5/2/2017 7:48 PM
67	Traffic related to road construction; the other issues I have just read about on the neighborhood listserv but do not know of any specifics.	5/2/2017 7:40 PM
68	The stop signs on 27th and Utica are rarely observed. Our garage has been vandalized and broken into on several occasions. In one instance they took a snowblower, lawn mower, shop vac, tools, etc.	5/2/2017 5:49 PM
69	There have recently been several posts on Nextdoor Neighbor about stolen packages, mail, and vehicle theft. It appears to be on the rise in the neighborhood and is highl concerning.	5/2/2017 4:41 PM
70	Scrapers steeling stuff off my driveway(reported), hear reports on the Nextdoor app about suspicious vehicles driving around the neighborhood	5/2/2017 4:15 PM
71	Theft of tires/rims in my neighborhood	5/2/2017 4:13 PM
72	We have had issues of things being stolen out of cars and garages. Also we have had many instances where the Birchwood park basketball court has been littered with trash, there has been some very loud inappropriate language that made it uncomfortable to bring children to the park. We did not have any of these problems before the basketball court.	5/2/2017 4:06 PM
73	I'm not really sure what is going on but a lot of activity at the town home across the street from mine. (26th and Alabama Ave S) There has been much police activity at one home, with an arrest the week of April 17th. Perhaps on April 21? We do not know what is going on and it would be helpful to know if we, as neighbors, need to be on the lookout for anything. Also, the wheel theft that is rampant in our neighborhood lately is highly disturbing. I really wish we could catch the people responsible.	5/2/2017 3:57 PM

2017 District 42 Birchwood Neighborhood Survey

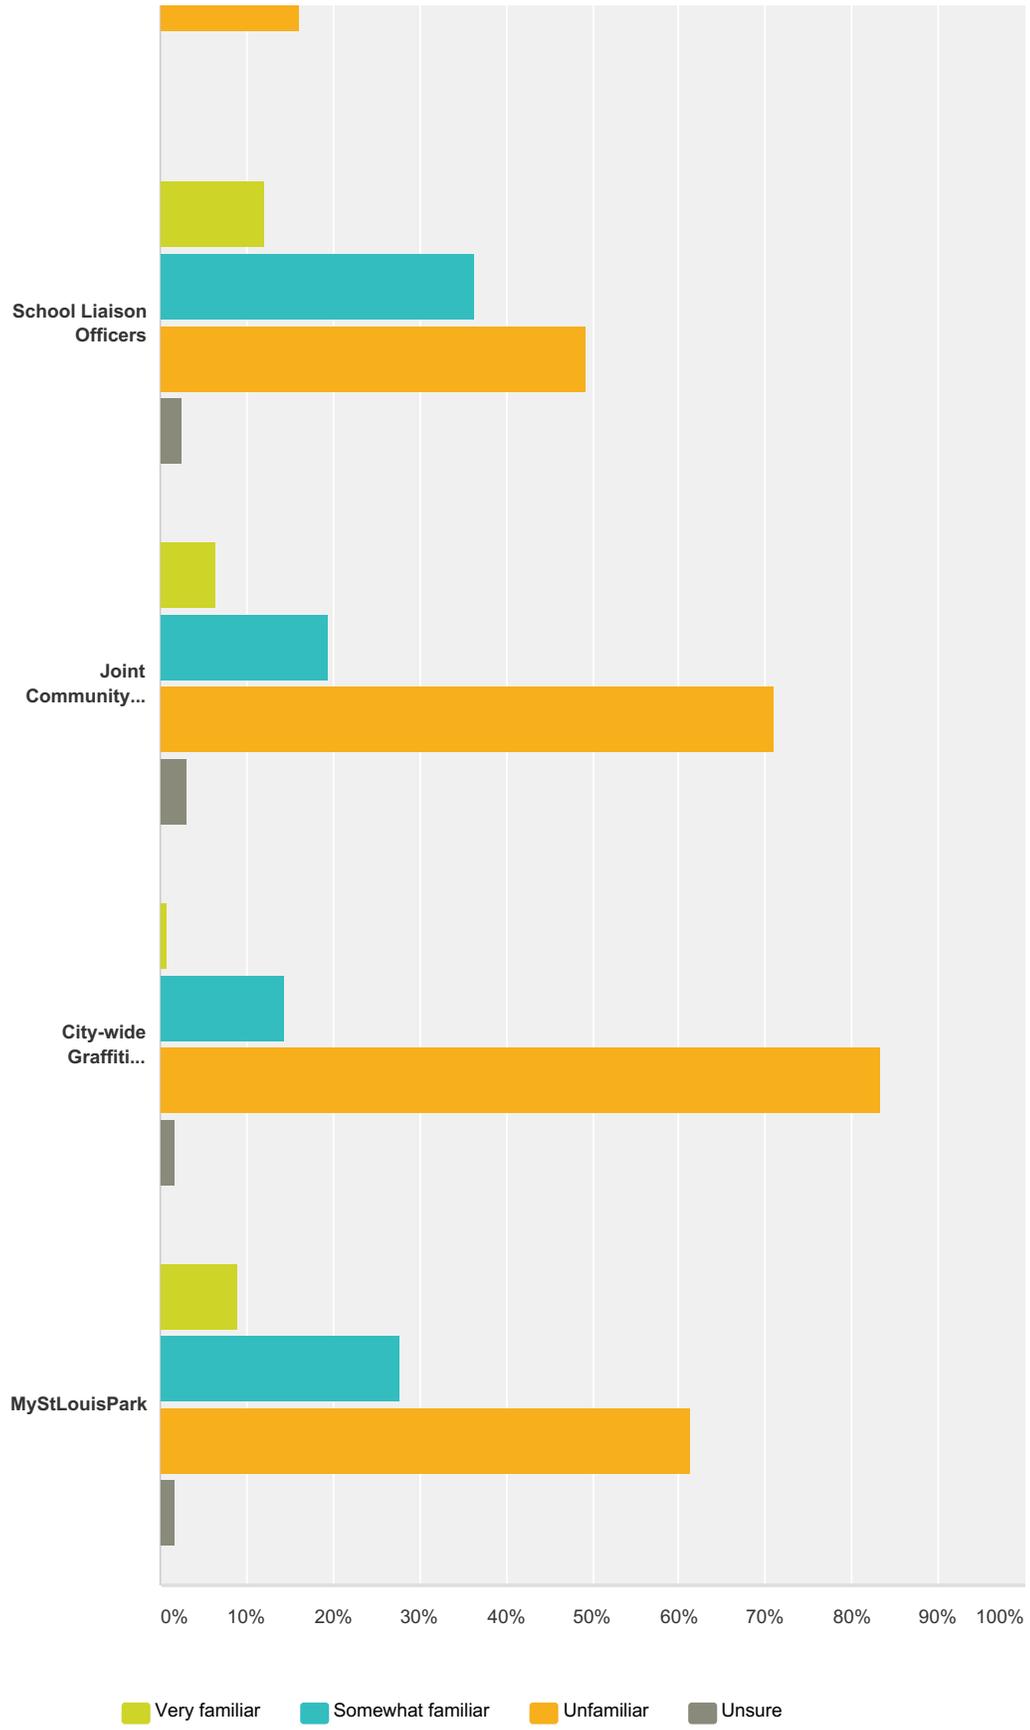

74	People don't stop at 29th & Vernon. Lots of unleashed dogs in neighborhood.	5/2/2017 3:01 PM
75	Reports of theft on Nextdoor. I did not pay attention to the the locations but know in the Birchwood neighborhood. Cars going at an unsafe speed down Xenwood that puts people and animals in danger that are walking on the streets. There are no sidewalks but we will be getting them soon.	5/2/2017 2:56 PM
76	I have felt (not confirmed) that there are drugs being sold/bought around the blackstone/brunswick ave streets btwn minnetonka blvd & 28th/27th. There are MANY owners who leave their barking dogs outside for hours on end. Its very disrespectful to neighbors. I haven't called because i'm trying to address with the neighbor first.	5/2/2017 2:54 PM
77	As it has not happened to me, I don't have any specific dates, but they do appear to have been a rash of package thefts in the neighborhood. I learn about them principally through the Nextdoor social media platform.	5/2/2017 2:29 PM
78	Cat wanders into our yard and kills birds People speeding on the streets Bike theft at high school	5/2/2017 2:19 PM
79	We live on 29th and Blackstone and with parking on both sides of the street and a lot of rental houses and extra vehicles we are not sure a emergency vehicles could get through.	5/2/2017 2:13 PM
80	Sociopathic neighbor to my right who's dogs are let loose without leashes, she leaves them inside or out in the backyard kennel for many hours. She encroaches on my property with fencing, bushes, and yells at her neighbors to her right for no reason.	5/2/2017 2:11 PM
81	Vehicular Traffic: Speeding and added traffic due to constriction. Noise: Motorcycle straight pipe exhaust. Current laws are not being enforced. Mostly along Hwy 100. Suspicious Activity: At night in the alley behind our home.	5/2/2017 2:11 PM
82	Packages missing from Neighbors steps	5/2/2017 2:10 PM
83	In the Birchwood Neighborhood: Bikes stolen from garages, cars stolen from garages, tires stolen off of cars parked in the street, cars keyed, drugs in the park	5/2/2017 2:07 PM
84	After there being several tire thefts within a small area I do not feel safe at all. I feel like I am a target having a Chevy Tahoe and it is very disappointing that this continues to keep happening in a few block radius here in SLP. I have also called the Police department and the specific officer that I worked with the morning I reported my tire theft and have no luck reaching him and he is not returning my voicemails. I am not feeling very supported currently or like my concerns are being addressed. Nuisance animals - I think that it is disappointing that the dogs are targeted so hard as of late with "leash laws" but people can let their cats roam the neighborhood all the time - all domestic animals should have the same requirements of being leashed. I would never let my dog go wander through my neighbors yard and kill mice, rabbits, etc.	5/2/2017 2:01 PM
85	Traffic - Daily on the frontage road by Utica, people use this as an alternate to get around the hwy 100 traffic, making the turn onto Utica difficult. This should be a "No Thru Traffic" route. Noise & Vandalism - I live behind the CourtYard Apts which are AWFUL, they have very loud vehicles it seems missing mufflers, throw garbage over the fence to my yard regularly and the police seem to frequent this apt bldg. Parking - SLP should move to odd/even parking, it makes Vernon Ave a single lane I have to pull over to let cars go by all of the time Drugs - suspicious cars meeting on side roads in the neighborhood, burner phones tossed over my fence from the courtyard apts Thefts - hear about them all of the time on NextDoor, most recently the tire thefts.	5/2/2017 1:59 PM
86	There is a red car that drives 50 plus mph on 27th street in the am and again between 5-7 pm. There should be calendar parking in SLP. It is tough to get down some streets with both sides having cars parked. There has been suspicious people that are taking pictures and/or staring in open garages or cars. There have been numerous thefts in the neighborhood within the last year. More than previous years.	5/2/2017 1:52 PM
87	Coyotes!!	5/2/2017 1:40 PM
88	vernon can be quite busy around 5pm. drivers consistently roll through the stop at vernon and 29th. have also noticed drivers going south on vernon, turning left from the center lane onto mtka blvd. drivers consistently unsure of the double left turn at the flashing yellow on eastbound mtka to northbound 100	5/2/2017 1:38 PM
89	Traffic -- I see people running stop signs ALL the time. Sometimes I see police pulling people over for this, which is great. Nuisance animals -- not too bad. I do see people with dogs off leash quite a bit, which I know can potentially be a big problem. Noise complaints. Not a huge issue, but there's a house under construction near my home, and the construction team has not been as cooperative and respectful as they should be. Graffiti -- it's been awhile since I've seen any, fortunately. Thefts -- I've seen reports of thefts on Nextdoor, but we haven't experienced any problems.	5/2/2017 1:36 PM
90	Wheels being stolen off of cars. Odd people roaming. My neighbors have had cops at their place multiple times and I would like to know if I am safe	5/2/2017 1:34 PM
91	Cars tend to drive fast ignoring the intersection and stop signs. I have a 12 year old who that is aware of her surroundings but there are several little kids in the neighborhood. We also hear about cars being broken into with a few block radius of our home. Fortunately, we have not been victims...yet.	5/2/2017 1:31 PM

Q15 How familiar are you with the following programs?

Answered: 125 Skipped: 0

2017 District 42 Birchwood Neighborhood Survey

#	Other:	Date
1	neighborhood sessions	5/31/2017 11:11 PM
2	Nextdoor.com gets too 'Chatty" and not as informative.	5/29/2017 9:52 PM
3	U.S. Mail	5/22/2017 10:11 AM
4	Email to me at gmurman@comcast.net	5/19/2017 9:31 PM
5	question #22 or #15?	5/12/2017 6:54 PM

2017 District 42 Birchwood Neighborhood Survey

6	Email	5/11/2017 8:58 AM
7	All of the above.	5/9/2017 10:36 AM
8	I saw the have coffee with a cop event and I thought that was a good idea although I did not participate this time. Have more of those.	5/8/2017 1:11 PM
9	Tsalyers@bhhslovejoy.com	5/8/2017 10:54 AM
10	maybe a group email I get them from mplis for my busniess	5/8/2017 7:48 AM
11	Send a mailer. Don't read Sun paper and Nextdoor is full of gossip not facts.	5/7/2017 11:00 AM
12	Stop sending me the Sun Sailor. Everyone complains about it on Nextdoor. I throw it away immediately.	5/6/2017 11:37 AM
13	Nicole does a great job of listing city links and giving updates on Nextdoor. Perhaps the school district could take more advantage too. This is where I get all my local info.	5/2/2017 9:19 PM
14	The neighborhood site that sent me to this survey is a good way to reach me with information about programs and with links to stories on your website.	5/2/2017 5:49 PM
15	Use all sources to communicate programs because everyone uses different sources. More important than any program are officers that get out in the community to get to know people who live in SLP and with a genuine interest in accomplishing this. If this is done then police will have the respect of the majority of the community and then a high interest to know police programs.	5/2/2017 2:56 PM

Q18 Please type any additional comments, concerns, or suggestions you may have for the St. Louis Park Police Department. If there is something that you feel needs immediate attention, please call the police non-emergency phone number at 952-924-2618. If you have a concern that you would like us to contact you about, please specify the concern below and provide daytime contact information. Thank you.

Answered: 38 Skipped: 87

#	Responses	Date
1	Bicyclists using the North Cedar Lake Trail that cross Wooddale and Beltline Blvd ignore their stop signs, creating confusion and danger for motorists.	5/31/2017 11:11 PM
2	Westside drive (going south) is used by many drivers, during morning and afternoon rush, trying to avoid the backup of 100 South. While I understand and appreciate that this is a public road, it would be nice if it was regulated often to ticket those speeding. Our son attends the New Horizons daycare facility on that frontage road and turning into the facility and trying to leave has become a nightmare because the road is so heavily traveled by those avoiding 100. And, people speed so often, it make it's nearly impossible to find an opening to get in and out of the facility. If there could be more attention given to this road with tickets given to those speeding (and quite heavily, I must share), I do think it would help with access in and out. I also hope that ultimately it could assist with reducing the traffic overall if people become aware that they are being held to the speed limit, and thus, it is no longer a "faster way" than simply waiting to get on to 100 south prior to that frontage road. Any assistance with this would be very greatly appreciated.	5/31/2017 3:14 PM
3	Always very pleased with our law enforcement team. Approachable, helpful and I am a sign bearing member of the "Thank you St Louis Park Police" sign in my yard and bought 10 others for neighbors and our church.	5/29/2017 9:52 PM
4	Once construction is done on Utica Ave the cars get off on Hwy 100 & hop back on Utica and roll thru stop sign on 27th barely coming to a stop.	5/24/2017 5:02 PM
5	The City of St. Louis Park is lucky to have so many outstanding police officers. Luke Ellanson, Dennis Maki, Pam Gronski, Mark Kampa, John Herman, Jon Fisher, Tony Pacholke - just to name a few. I am also glad the City stayed "internal" and picked Mike Harcey as police chief. Keep up the good work, everyone. I have my thank you sign in my yard.	5/22/2017 10:11 AM
6	In working with the Somali community on some other areas, it was mentioned to me many times that they would like to see more diversity on the police force - You probably already know that, but I would second that - We have a very diverse community, and hopefully the police department's hiring goals are in line with creating a more diverse police force. I believe the police currently do a good job and I appreciate all that they do.	5/20/2017 10:34 AM
7	We preferred no entrance off Utica to Hwy 100 because of traffic cutting through our neighborhood and then going back onto Hwy 100 .	5/11/2017 9:23 AM
8	Just reiterate the traffic in the birchwood neighborhood is really frustrating, and a lot of it stems from people cutting through off of 100. Anything to mitigate that would be amazing, including more patrols to ticket people that don't stop at stop signs and speed.	5/11/2017 8:58 AM
9	Feel safe pretty much 100 percent of the time here. Only police interaction was in past year when I got a warning (I was having a contact lens issue while I was driving and rolled through a stop sign). In general, have had very positive experiences with police in St. Louis Park.	5/10/2017 4:33 PM
10	With recent thefts, there should be a more proactive approach rather than reactive. I have never seen a police car drive through the neighborhood 'keeping an eye on things'...only when responding to a call.	5/9/2017 12:07 AM
11	I appreciate all the hard work the St Louis Park Police do for our community.	5/7/2017 1:20 PM
12	Last year I called police (non emergency) multiple times during MnDOT construction for traffic issues outside our home (Vernon Ave). Officers were responsive and professional. Much appreciated.	5/7/2017 11:00 AM

2017 District 42 Birchwood Neighborhood Survey

13	I do see the increased patrolling through our neighborhood, so thank you!! I would really appreciate having those speed limit monitor (not sure what it's called) set up on 27th and alabama street to get motorists to slow down. I live on the 2700 block of Alabama and too many motorists go by this stretch of the street.	5/6/2017 10:22 PM
14	Package thefts	5/6/2017 11:37 AM
15	Miss the old crime / police computer program. New one is ok but doesn't have as much information as old one	5/6/2017 8:08 AM
16	thanks for this opportunity but nothing comes up right now but I will sure call if I need the police. But Hope I don't need you.	5/5/2017 9:16 PM
17	I really love our neighborhood and feel safe, since the theft we experienced we just can't believe it happens in front of our front door. We appreciate all your efforts to assure us we are safe!	5/5/2017 5:35 PM
18	I want one of those SLP PD signs for my lawn but don't know how to get one	5/5/2017 3:01 PM
19	Everyday I cross Minnetonka blvd.at Zarthan Ave. in a marked crosswalk and the cars dont stop for me. I would like to see police periodically patrol the marked crosswalks so that cars respect pedestrians more. This occurs on weekday mornings around 8am when i am catching the bus and traffic is heavy. There is already a sign in the road there but they still don't stop.	5/5/2017 11:37 AM
20	Thank you for all you do. I believe we have a high calibur community and that is represented in the police force. Lean on your community resources, to ensure your officer's mental health and work/life balance are a priority. If they feel good about life, they will continue to value the lives of our community members.	5/5/2017 11:32 AM
21	Thank you for all you do.	5/5/2017 11:27 AM
22	Thanks for conducting this survey. I hope that Birchwood will become a safer neighborhood in the coming months.	5/5/2017 8:43 AM
23	There is a serious issue with stop sign runners and speeders in Birchwood, especially on Vernon and Utica. Also too many large trucks use Utica. A speed limit sign and a no trucks sign should be installed at the corner on Utica just after 27th street, and then violators should be ticketed so they know there is enforcement happening.	5/2/2017 10:22 PM
24	Thanks for the service and help you provide to our community! Please contact me for advice and information to arrange a National Night out block party in August. Braden Beam 612-802-9026	5/2/2017 10:18 PM
25	We were told that the noise would be less once the wall was up in front of our house. The opposite is true. The big trucks coming from the car dealer and Lyman Lumber area along with motorcycles rev up their motors when going south and north on 100. We are disappointed.	5/2/2017 9:41 PM
26	Have you distributed fridge magnets with your non-emergency phone number highlighted? If you have, it's totally escaped me. If not, would love one.	5/2/2017 9:19 PM
27	I would like to know why the police are at 2634 on May 2nd and several times before that in the past year and what we as homeowners can do to continue to make it safe to live in our neighborhood.	5/2/2017 7:48 PM
28	I appreciate all that you do for the community, and the community policing model.	5/2/2017 7:40 PM
29	Could we get some street lights? I live on Zarthan Ave. South and it is pitch black dark around here. No wonder cars' wheels are being stolen. Thanks.	5/2/2017 5:19 PM
30	The reason I dealt with a police officer was a very sick racoon	5/2/2017 5:10 PM
31	I think we have a great police staff and I hope we will continue to keep a close eye on public areas so that they stay safe and welcoming. Thank you for your service	5/2/2017 4:06 PM
32	Thank you for your service!	5/2/2017 3:57 PM
33	The police I see are primarily white and men. I have seen a white woman and one male of color. Maybe there are more woman and people of color but I have not seen them. First would like to know the make up of our police department. Second, if the police department does not reflect our community then hire police that do.	5/2/2017 2:56 PM
34	Street parking	5/2/2017 2:13 PM

2017 District 42 Birchwood Neighborhood Survey

35	<p>I really am disheartened that I have contacted the police several times and am not getting a call back (non-emergency line then being forwarded to officers VM). I was a victim in a crime - that crime continues to happens to others around me and I can't get the police officer to call me back. I also think that it would be beneficial to review the concerns that neighbors are putting on nextdoor and have more of a presence there. There are crime & safety posts that have tons of traffic on them it would be nice to see what the police are doing to address some of those concerns... I am honestly scared to check Nextdoor because every time I go on there I am seeing another bad thing happening, stolen packages, stolen tires, care break ins, etc. It does not make me feel very safe. I am single female and I picked SLP to live in because I thought it was a safe place to be. I get that crime happens everywhere - I think how the police respond to that crime is what makes all of the difference. I am not doubting that nothing is being done. I am sure that things are being addressed, however when I ask to be updated and get no updates or don't get call backs it's hard to believe that much is getting done as I have zero visibility to things.</p>	5/2/2017 2:01 PM
36	<p>Last summer I had to rescue 11 baby ducks from the sewer drains, it was a weekend, I couldn't get a hold of public works and couldn't find their on call number. I called the police, when I met him he wouldn't call the public works on call person and wouldn't give me the number to do it. He said they had to just stay down there and that "the city wasn't going to approve overtime for baby ducks". It was awful, I couldn't leave them so got them out myself, and then got a call from wildlife center asking me to go help another lady do the same. Looking on the news there are tons of other cities that helped get baby ducks out, it's sad that the police wouldn't even give me a phone number and wanted me to leave them.</p>	5/2/2017 1:59 PM
37	<p>Coyotes are becoming a bigger problem. They are coming into our residential neighborhoods populated by families, children and dogs. Please find a way to discourage them from being so bold and disruptive in our daily lives and feelings of safety in SLP. I have anxiety every day about coyotes and my dog's safety when she needs to go outside. Also, in our Birchwood neighborhood, there have been an increasing number of thefts. Cars, tires, packages, tools. Please increase patrols to get these people out of our neighborhood. Thank you.</p>	5/2/2017 1:40 PM
38	<p>My personal contact with the police department has been positive. My child had a very positive experience with the police officer at her elementary school. However, my perception of the police has been shaped badly because I know a black man in our community who has been pulled over by police officers unjustly on a regular basis. I have a great deal of respect for this man, and this makes me very upset -- so much so that I decided not to put one of those "thank you police" signs in my yard for that reason. I consider racial profiling to be one of the most serious issues of the day, and it upsets me very much to hear that it takes place in our community.</p>	5/2/2017 1:36 PM
