|----|--|--------------------|
| 1 | Traffic during rush hour on Minnetonka Blvd, Occassional loud parties/neighbors--generally confined to weekends, Parking can be crowded on MTKA BLVD side streets | 5/29/2017 5:52 PM |
| 2 | People drive way too fast on Library Lane at all times of day, but especially when the high school lets out. There are a lot of children on our block and it doesn't feel safe for them to be in the front yard. I have been passed by people thinking I'm not going fast enough even though it's a neighborhood. | 5/26/2017 6:00 PM |
| 3 | Drug pickup near school in the evening and weekends. Car to car transactions. | 5/25/2017 9:51 AM |
| 4 | I live at 3340 Library Lane. A few weeks ago there were many break-ins nearby, at Gorham and around that vicinity. I, myself, have not had any problems. We have a lot of activity at our house which I think helps as people are coming and going quite often and there is almost always someone at home. | 5/25/2017 1:48 AM |
| 5 | Cars block the alley off library lane between Kentucky and jersey Ave. across from Library to many on north side of Library Lane.....parking. Cars do not stop at stop sign at Kentucky and Library lane also...! | 5/24/2017 7:32 PM |
| 6 | Lots of noise lately from high school students in track field during very late night hours on weekdays. | 5/24/2017 5:48 PM |
| 7 | Speeding down side streets (Brunswick south of Minnetonka Blvd- people speed over to Dakota to avoid the stoplight at Beeks.) | 5/24/2017 4:33 PM |
| 8 | traffic.. speed limits need to be enforced. I live on Minnetonka Blvd. and there is a lot of speeding and cars passing to the right of other cars. It is a bike lane/narrow shoulder, not a passing lane! I have seen a couple of accidents right in front of my house because of people doing this. We also need more crosswalks on Minnetonka Blvd .. specifically at Jersey .. it is almost impossible to cross the street safely at times Thefts .. happening all over St. Louis Park Suspicious activity .. yep, seen it many times, especially with people walking through alleys that don't live in the neighborhood and cars that should not be driving through .. also they speed through a lot of the time and I have nearly had accidents with cars just from backing out of my driveway and I keep looking both ways | 5/24/2017 4:25 PM |
| 9 | There have been numerous issues of theft and suspicious activity reported on the Lenox Neighborhood NextDoor app over the past year. | 5/24/2017 3:49 PM |
| 10 | We live on the same block as the high school. I have heard from my neighbors home during the day about more questionable activity in our alley (3200 block between Dakota & Edgewood). Not sure if it's drug traffic? there hasn't been vandalism, so the complaint is minor. Regarding traffic, early morning commuters (7pm) often speed east from the "Library Lane end" to Dakota on 32nd St and 33rd St; sometimes blowing through stop signs, even at bus stops (with middle schoolers standing near). I witnessed more last summer & fall than I have lately. | 5/22/2017 5:58 PM |
| 11 | Unleashed dogs-daily. Not a serious problem. | 5/18/2017 9:02 AM |
| 12 | We are one block off Minnetonka and with all the road construction over the last several years the volume and speed of those who use side streets has increased and there is cause for concern about increased traffic accidents/pedestrians | 5/16/2017 3:05 PM |
| 13 | Lots of people don't know how to use leashes when walking their dogs. | 5/16/2017 8:20 AM |
| 14 | cars parked on street beyond mandated 48 hours; cars parked on street during snow emergencies inhibiting complete plowing. | 5/13/2017 3:12 PM |
| 15 | Graffiti is minor on the school and at Parkview park. Litter is also an issue, but nothing really for PD to do. | 5/12/2017 6:57 PM |
| 16 | Drivers rerouting through the neighborhood streets during peak times to avoid Louisiana Ave. and driving way to fast considering the number of children in the area | 5/12/2017 11:01 AM |

2017 District 42 Lenox Neighborhood Survey

|----|--|-------------------|
| 17 | We are so close to the high school and have many young children in the neighborhood. My concerns are typical of areas that are high-traffic with lots of kids. | 5/10/2017 9:38 PM |
| 18 | a house a couple of doors down keeps their dog tied up to a tree in their backyard nearly all day and night every single day and I am very worried about it. I reported it once to the police as suspected animal abuse. The dog barks quite a lot as well and can sometimes be a nuisance at night. I just feel so sorry for the poor dog and wish I could do something to help. | 5/10/2017 4:07 PM |
| 19 | Too many to list (Louisiana Ave). They've all been brought up to SLP Police before and nothing happens. For example, Louisiana residents petitioned City to slow traffic by having on-street parking 24/7 so it's doesn't feel like a 4-lane freeway, and change NB Louisiana right lane at Minnetonka Blvd (next to gas station) be marked as Right Turn Only so cars aren't racing through yellow/red lights to get across Minnetonka where Louisiana then turns into single lane and they race to cut in front of everyone else. VERY dangerous intersection because of that (for cars and pedestrians going to/from bus stop) | 5/10/2017 9:27 AM |
| 20 | People drive fast down the alleys to avoid traffic back ups on Minnetonka and Louisiana. We have a toddler and I worry someone will hit him. This typically happens during rush hours on weekdays. I think police patrolling the area would help (not just the speed traps on Louisiana like they currently do). | 5/10/2017 8:52 AM |
| 21 | Occasional fast driving | 5/9/2017 8:24 PM |
| 22 | lots of rush hour traffic on my street | 5/9/2017 10:36 AM |
| 23 | Traffic near high school, morning and afternoon rush hours; traffic on Mtka Blvd near Dakota, morning rush; graffiti in Keystone Park area; teenagers using marijuana near McDonalds, early a.m.; teenagers loitering along railroad tracks during the day | 5/9/2017 9:48 AM |
| 24 | Traffic: uncontrolled 4-way intersection at Brownlow Ave. and 1st St. is extremely dangerous and needs stop signs. Animals: 2 dogs bark loudly on Brownlow Ave. between Lake St. & 1st St. There is occasional graffiti at Parkview Park and at skateboard park near Peter Hobart school. Occasion suspicious activity between Highway 7 and Parkview Park, but police do an excellent job responding to concerns about it. | 5/9/2017 6:52 AM |
| 25 | Neighbor on the corner had an attempted burglary during the day. | 5/8/2017 12:27 PM |
| 26 | Speeding,not stopping at STOP SIGNS! | 5/8/2017 11:28 AM |
| 27 | Vehiculer traffic: many cars drive too fast and don't stop at stop signs. This issue occurs at anytime of the day. | 5/8/2017 9:56 AM |
| 28 | On Brownlow during the day the businesses on our street have trucks delivering supplies, etc and people who live on Brownlow that park their work vehicles on the street afternoons/evenings/weekends...and renters who leave their cars on the street during the day when snow/street maintenance crews come...cannot get the street totally cleaned | 5/7/2017 9:52 PM |
| 29 | I have had many near-misses at neighborhood intersections due to other cars failing to stop at stop signs or yield at a yield sign. These near-misses happen at all hours of the day. More times than I can count in the past year, to be honest. Issues at the roundabouts and issues with bikers not following the rules of the road particularly by Wooddale and 36th. A few years ago, a home about 3 doors down was broken into. I had a suspicious knock at my door around 11pm on a Friday night shortly after. My dog must've scared the people away. We've also had some garage break-ins in the neighborhood from what I remember over the past few years. | 5/7/2017 3:57 PM |
| 30 | We live right by the library and we're walking home one evening around 10 pm and saw some loitering at the library at that time of night. | 5/7/2017 7:54 AM |
| 31 | daily traffic issues that I observe, roaming cats | 5/6/2017 9:16 PM |
| 32 | I live in a no parking zone (permit only) and still have students parking there..People do not stop at the stop signs by the high school.. | 5/6/2017 12:43 PM |
| 33 | Minnetonka Blvd. gets very congested during certain parts of the day, and the high school becomes very clogged when school lets out. Once in a while, a neighbor will have a loud gathering that goes late into the night, but these are rare. And on-street parking can get tricky. It seems there are many cars that need parking. | 5/6/2017 11:28 AM |
| 34 | Traffic has increased as people avoid Dakota/Minnesota. I feel unsafe biking on Dakota. A bike lane would be greatly beneficial. The Oak Knoll Clinic doesn't have enough parking so they park on my street. Greater visibility of patrols, especially near parks after dark. | 5/6/2017 10:07 AM |
| 35 | speeding on Dakota Avenue. Horrible intersections at Highway 7 and Wooddale. | 5/6/2017 9:09 AM |
| 36 | Hearing about delivery packages missing | 5/5/2017 8:16 PM |
| 37 | Speed of vehicles on Dakota. Several very LOUD motorcycles. People let their cats out to roam, fights at night. Reports of thefts. | 5/5/2017 5:37 PM |
| 38 | We have neighbors that have had garages and cars broken into as well a small packages stolen | 5/5/2017 5:18 PM |

2017 District 42 Lenox Neighborhood Survey

|----|--|-------------------|
| 39 | Our neighborhood block captain indicated there was a drug issue across from her home, and down a couple houses on the north side of 33rd. She lives on the south side corner home off 33rd and Dakota Avenue. This was a while back and, apparently, someone had overdosed. I don't have any further details, but discovered this fact while facilitating a Vision 3.0 meeting at her home. | 5/5/2017 4:16 PM |
| 40 | loud motorcycles and motorcycles racing down the street griffiti by high school also some on Mtka B lvd | 5/5/2017 2:59 PM |
| 41 | Barking dogs all times of day with no significant relief from city. Three houses on our end of the street have multiple cars that all park on the street taking space in front of several homes and blocking carriage walks. House on corner has several noisy parties a year that go on for entire weekend and sounds like frat parties with music into the wee hours, yelling, lots of alcohol, but infact is post college age young men. | 5/5/2017 12:13 PM |
| 42 | Speeding traffic on Dakota. Makes me concerned for students' health. | 5/4/2017 7:12 PM |
| 43 | Kentucky (area by the library) seems to get a lot of high-speed traffic from time to time | 5/4/2017 11:52 AM |
| 44 | 3100 block of Colorado. Very fast vehicular traffic. Often times I suspect cars zip through to avoid the stoplight on Minnetonka and Dakota. | 5/3/2017 2:00 PM |
| 45 | high school related traffic on Florida. Concern about cars frequently parked or left running at the north end of the Alley where there is the "T". I saw police activity at that house a few weeks ago, there seems to still be lots of people stopping by that house for brief visits and it blocks the alley..... | 5/3/2017 1:04 PM |
| 46 | Very fast driving on 31st street from from Louisana to Jersey on 31st to avoid the Louisana/Minnetonka blvd stop and go light. this happens M-F 3:30 pm to 6 pm. Lately there are 2 maybe 3 EXTREMELY noisy pickups that seem to feel gunning the motor and driving fast thru the neighborhood are their privledge. | 5/3/2017 11:53 AM |
| 47 | Traffic for the high school high-balls it from Mtka Blvd, down our residential street (Florida Ave S) to the H.S. because they can speed two blocks before hitting a stop sign.We desperately need a 4-way stop at Florida Ave. S & 31st St. Lots of cars get sideswiped on Florida Ave by buses and school traffic cars. Barking dogs are a nuisance on Florida Ave. There have been a rash of garage break-ins and theft of packages on front doorsteps. | 5/3/2017 11:06 AM |
| 48 | On Colorado Ave S., in the afternoon. Some young boys came to our door asking if he could do yardwork for money because his mom was sick. We politely said no. Later, a police car pulled up while I was walking my dog asking if I'd seen some boys. Apparently they were scoping out housing to come back to, to break in. | 5/3/2017 9:51 AM |
| 49 | Parking on the side streets has always been a problem, especially in the winter. I have read on Nextdoor of the thefts of packages delivered to a home. It seems to be a new way of stealing and happens quite often. Many people order from Amazon and therefore many packages are left on your front steps. Amazon can notify you of when they will be delivered and if I know something will be delivered I check constantly to see if my package arrived. I am sorry, I do not have specific dates for the above incidents. | 5/3/2017 9:43 AM |
| 50 | Thefts of packages and garage burglaries seem to me a problem. | 5/3/2017 8:45 AM |
| 51 | 1. High speeds on Hampshire Ave So. and all around the high school. No stop sign at Parkview Park is a hazard. 2. Roaming cats killing birds, defecating in gardens etc. Also, people using public parks as dog parks. I can't walk my dog safely. 3. Thefts. Mainly at night. If we accidentally leave our car door open it is guaranteed to be burglarized. This has happened multiple times to our cars as well as our garage. | 5/2/2017 7:52 PM |
| 52 | Parking by the high school can be problematic at start/end of school day or during events. There have been seasonal burglaries for many summers in last 4-5 years | 5/2/2017 7:03 PM |
| 53 | Parking on the streets is congested as I live right by the high school. A lot of patrons who attend events at the school park in front of my house. Myself or guests then have no place to park. People do not abide by the "no parking 5 feet" from end of driveway and I have never seen it enforced. I have had multiple issues with getting into/ out of my driveway. Mainly occurs evenings and weekends. A lot of litter from McDonsal wrappers are also throw out the window and onto my yard. This is constant. There have been thefts in my neighborhood including my motorcycle 2 years ago out of my locked shed. This does not make me feel safe leaving my home for vacation. I've also heard of multiple neighbors having packages stolen from their home during the day. The train tracks are full of broken glass from beer bottles. | 5/2/2017 6:44 PM |
| 54 | Parties and noise at 1am from neighbors teenagers when parent was away during summer. Occasional vehicle parked with light on and no one coming or going from vehicle at 2-4am. | 5/2/2017 6:03 PM |
| 55 | Parking by students near high school Unleashed animals in parks | 5/2/2017 4:44 PM |
| 56 | there have been multiple thefts - breakins of garages in my neighborhood including my own | 5/2/2017 2:48 PM |
| 57 | Kentucky Ave S - between Minnetonka Ave and the library gets a lot of traffic during peak rush hours, and people tend to speed. Thefts - packages stolen from front steps on block | 5/2/2017 2:34 PM |

2017 District 42 Lenox Neighborhood Survey

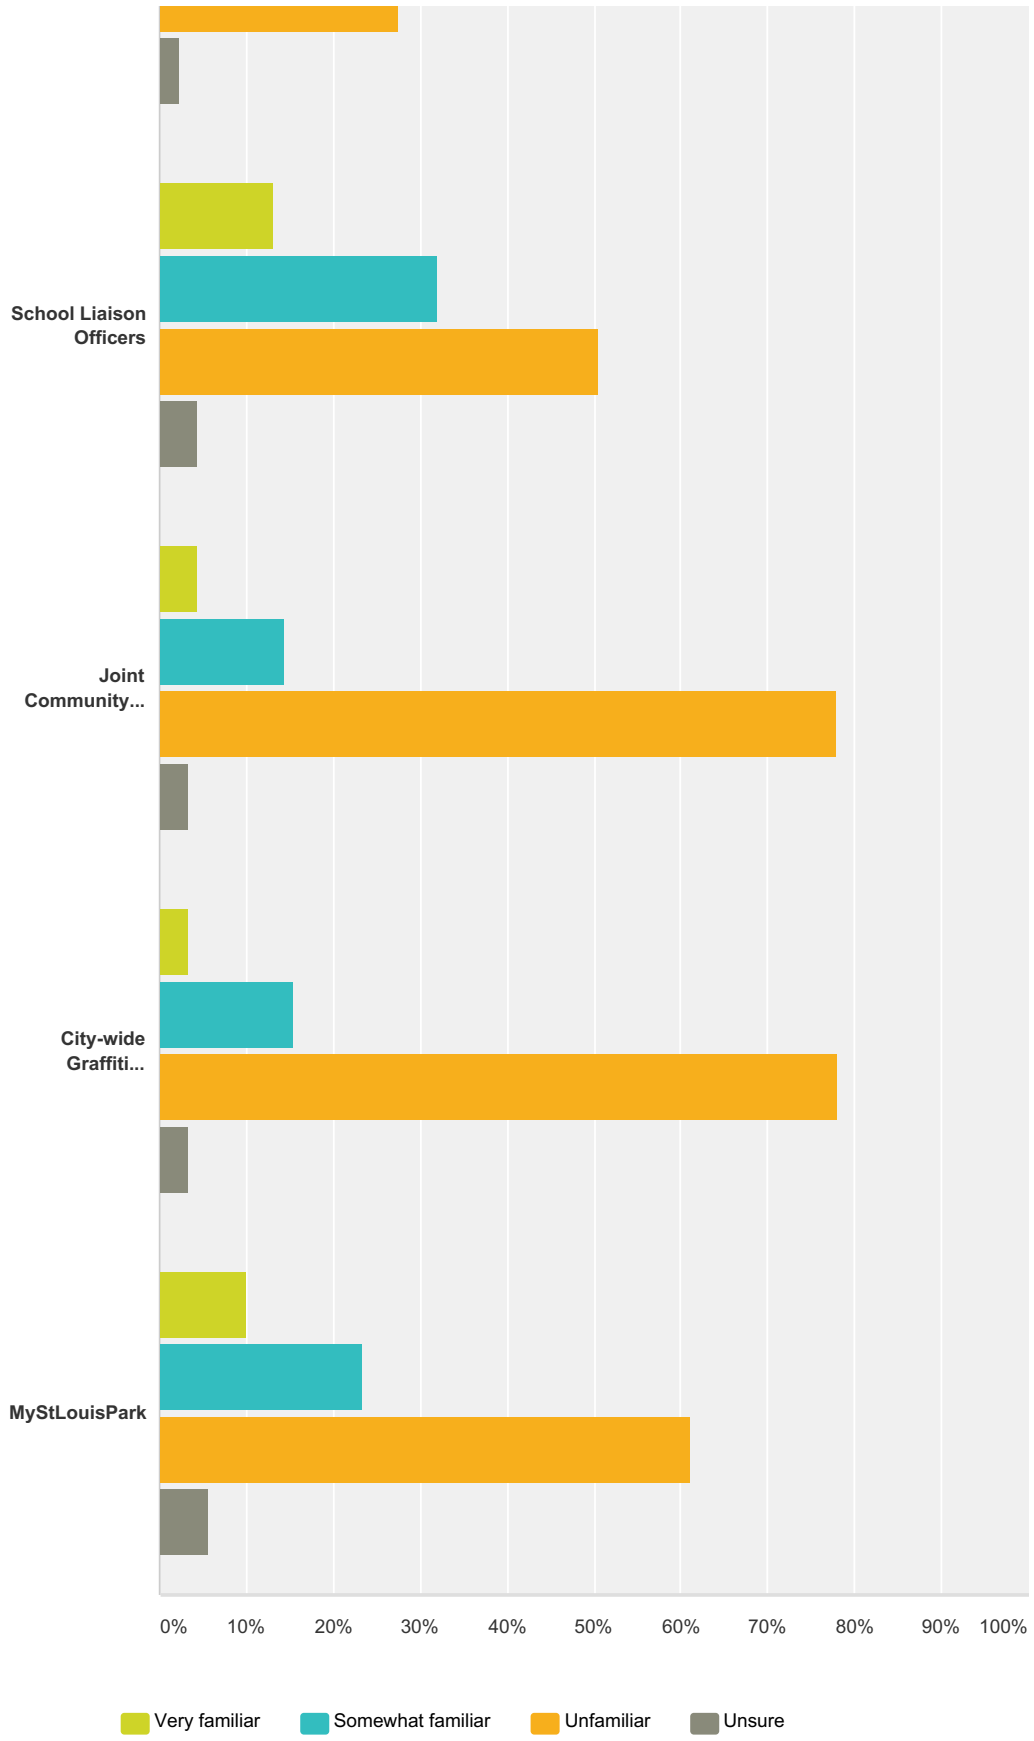

| | | |
|----|---|------------------|
| 58 | People regularly cut through the neighborhood to avoid the Minnetonka BLVD and Louisiana intersection, specifically on our street, Kentucky Ave S. | 5/2/2017 1:55 PM |
| 59 | 3000 block of Kentucky Avenue as cars try to avoid the intersection at Louisiana and Mtka Blvd. We also have had a lot of unidentified cars that stay for long periods on our block. | 5/2/2017 1:51 PM |
| 60 | Many thefts due to delivered packages if recipient is not home. | 5/2/2017 1:51 PM |
| 61 | It's really difficult as a pedestrian to cross major roads (Minnetonka in particular) at any time of day, but especially during rush hour. Crosswalks are not striped at all corners and there's no enforcement of the law that requires drivers to stop for pedestrians at all crosswalks (marked or not). Even city bus drivers and mail trucks blast past at 35mph when someone's stepping into the road to cross. Dakota and Louisiana are too wide for their sped limit and cars regularly cruise down them at 35-40 mph, presenting a serious danger to pedestrians and bicyclists. | 5/2/2017 1:44 PM |
| 62 | During Hwy 100 construction, Dakota Ave. was so busy with many cars and trucks going way too fast. So many people park in front of my house, there is no room for my guests. | 5/2/2017 1:41 PM |
| 63 | My only complaint is recreational fires. I'm fairly certain this neighbor doesn't have a permit to burn since the regulations wouldn't allow it (they often have a fire in their driveway, just a few feet from their garage and definitely not 10 feet from the street. I have asthma so I have to keep my windows shut when they burn, which is unfortunate during the beautiful summer nights. I don't feel comfortable talking to these neighbors about their burning as I feel they might retaliate. They're located at the southwest corner of 32nd and Colorado. | 5/2/2017 1:32 PM |
| 64 | The 4-way stop near the McDonalds on Lake street can get congested and the exit onto hw 7 is dangerous to pedestrians and bike riders trying to get to the path. It's mostly bad during morning and night rush hour. I've almost been hit as a pedestrian and I have seen several people almost hit as well from the congestion and people speeding trying to get out of the traffic. | 5/2/2017 1:27 PM |
| 65 | I walk through Louisiana Oaks and Oak Hill parks every day and I almost always come across at least one off leash dog with their owners. They don't pick up their pet waste and I always worry about their dogs running up to my leashed dog. This happens between 3:30-5pm daily. | 5/2/2017 1:26 PM |
| 66 | Rush hour is always bad on Louisiana, so no real complaint. | 5/2/2017 1:24 PM |

| 2 | Sun Sailor stopped being delivered on Louisiana Ave years ago. Could never get an answer why but I see them delivering every week to adjacent streets. Living on Louisiana is horrible - like living on a 4-lane hwy ROW rather than a community/neighborhood. No block party, no paper, semis and other vehicles speeding by. I'll be moving when I retire - could never live here during weekdays. | 5/10/2017 9:27 AM |
| 3 | I have lived in St Louis Park for five years and have never seen a police officer outside of a vehicle. I think it would help to have officers on foot sometimes so you feel like you could approach them. | 5/10/2017 8:52 AM |

| 1 | Thank you for all you do. It is much appreciated! | 5/27/2017 5:48 PM |
| 2 | More police presence near school before, during and after school. | 5/25/2017 9:51 AM |
| 3 | I have always felt that the SLP police department is so responsive, and does a great job. I love going to the many kids activities and seeing the police there and acting like a great community asset. It doesn't go unnoticed! | 5/24/2017 4:33 PM |
| 4 | I appreciate that Chief Harcey has been supportive of the High School group planning the Nest hangout space. And thanks to the rest of the police department as well! I value that I can send my kids outside to play, or bike to various places around SLP knowing they are safe. | 5/22/2017 5:58 PM |
| 5 | We have the greatest Police & Govt of all suburbs. I brag about SLP Daily. | 5/18/2017 9:02 AM |
| 6 | Please enforce "no driving on shoulder" on Minnetonka Blvd. People constantly try to go around me while waiting to make a left turn, but it's too narrow. | 5/16/2017 8:20 AM |
| 7 | Love living here. | 5/12/2017 6:57 PM |
| 8 | Glad to see that there has been more enforcement of speed limit violations on Louisiana Ave. between Highway 7 and Mtka. Blvd. Keep it up! | 5/12/2017 11:01 AM |
| 9 | I had a non-emergency question and called the police department earlier this year. My question was potentially contentious given the current political climate (it was about separation of local and federal police enforcement). The lieutenant with whom I spoke was extremely polite and answered all my questions fully. I really appreciated that. | 5/10/2017 9:38 PM |
| 10 | Nothing is ever done about barking dogs. Hate that dogs have more rights than tax-paying neighbors that have to wear headphones inside their own house to keep from going crazy with yelping, whining, barking dogs all day. It's like having a car alarm go off several times/hour - can't read, nap, or relax. And unless SLP officer happens to drive by and witness it occurring - nothing is done. I've lived with this for 13 years and can see how someone could be driven to poison dogs - it's absolutely maddening! My other neighbor thinks leash laws don't apply to him "because his dogs are so well trained". Meanwhile his dogs have ripped downspouts off my house and crunched the ends closed chasing chipmunks. Neighbor never even apologized! For 22+ years this has gone on and I find it hard to believe that not once on his morning/evening dog walks (with dog running loose and expand-a-leash thing in his hand), that police haven't noticed him or ticketed him. These (and other) quality of life issues are why I'll be moving when I retire - probably another city with larger lots and hopefully stricter enforcement. Love SLP but just can't live with neighbors who have no regard for others. | 5/10/2017 9:27 AM |
| 11 | I would just like to see police around the neighborhood visible more. Maybe that's not possible if they're constantly dealing with crime but I think the best outcomes are when the community and the police have a relationship outside of just arrests especially with people of color. I think it's also on me to go to events where there will be police so I can meet them and introduce my kids to the concept of police officers. I want everyone in St Louis Park to think of police as a resource and helpers rather than scary or dangerous. I think that is largely the case but it should be an active goal and we should be mindful of it as we develop a policing plan. | 5/10/2017 8:52 AM |

| 12 | I understand that SLPPD does not affirmative seek out people's immigration statuses. But I also understand that if SLPPD finds out that any person is undocumented, SLPPD affirmatively reports that information to federal immigration authorities. That is a mistake. No federal or state law requires such reporting, and doing so places in danger crime victims and witnesses who will be unwilling to risk their status by inviting police involvement. SLPPD should re-think this policy. | 5/9/2017 6:52 AM |
| 13 | The SLP Police do an excellent job, they have my wholehearted support | 5/8/2017 1:43 PM |

| 18 | high school issues. The litter is awful. The smoking at Parkview Park by the building should not be allowed. There are hundreds of cigarette butts that the children are playing in. Too many police /fire sirens. Too loud. | 5/5/2017 8:16 PM |
| 19 | Thank you for all you do for our community! | 5/5/2017 5:37 PM |
| 20 | I think we have true "community policing" and are fortunate to have the Police Department we presently have. You work well with our citizens, are very approachable, and have the community's best interests in mind. Maybe you already do this, but it would be nice to have an open house, where residents have a chance to get to know our police better. I know you are always available for block parties, and I think that's a great presence to have. The only concern I have right now is the traffic on Dakota Avenue, between Last Street and Minnetonka Boulevard. I think it would be helpful to have a stop sign somewhere on that stretch to slow traffic down. Myself, and others that live on this stretch of road, see cars doing well over 30 on many occasions. I know there have been portable radar units up periodically and, although it helps some, it doesn't fix the issue. There are a number of folks along that stretch that have children and have also expressed concern. It would also be helpful to have marked crosswalks; it's tough to get across the street safely at times, and Dakota does get busy. Feel free to contact me directly at either audioholic@comcast.net, or 952-210-3697. Many thanks and please keep up the good work; you are a community asset and much appreciated! | 5/5/2017 4:16 PM |
| 21 | Police Dept does a good job, but would like a program whereby you could ask/notify street dept about condition of streets/roads. | 5/5/2017 2:59 PM |
| 22 | Great City, Great Police - Thanks for the good work! | 5/5/2017 2:29 PM |
| 23 | Very concerned about the PLACE Project being implemented by City Council. Traffic situation has become stressful enough and adding this project simply exaserbates the problem. Also, am very concerned about so much Section 8 housing being assigned to project. | 5/5/2017 12:13 PM |
| 24 | Special thank you to the dispatcher that took my call the night my daughter was having some personal issues. The support and genuine concern was very helpful at our time of need. I do not know her name, but the genuine concern and fast response was more than I could have ever asked for. God bless her and all of the SLPPD. Stay safe out there! | 5/4/2017 6:14 AM |
| 25 | Keep up the great work. | 5/3/2017 2:00 PM |

| 27 | You're doing a good job! And, I appreciate that. Thank you! | 5/3/2017 9:43 AM |
| 28 | I live by the intersection where Library Lane merges into Louisiana Ave. Multiple evenings per week there are police at this intersection waiting to catch speeders. On nights when the police are setting their "speed traps" the patrol cars are constantly racing down the street I live on (32nd block of Kentucky Ave) to get back to their spot. I don't appreciate at all the speed that they go down our street. Also, the place that they park to catch speeders is on a patch of grass and their tire marks leave a large dirt patch where previously there was a much more sightly grassy patch. I understand the need to enforce speed limits, but the overuse use this specific spot, as well as racing back to catch another speeder is really off putting. It seems to me that there are probably more important things for the St Louis Park PD to be focusing on than trying to catch speeders on Louisiana Ave 3 times a week. | 5/2/2017 2:50 PM |
| 29 | Because I had a burglary this year I dealt first hand with the SLP police and they were great, honestly I have thought of moving out of SLP into Minneapolis but this experience changed my mind. I know that because I live in SLP, and not mpls my burglary got the attention it deserved and the person was caught, the minneapolis police were too busy to assist other victims of this crime but SLP was not. Hopefully it never happens again but the level of service I got from them was second to none and it was greatly appreciated | 5/2/2017 2:48 PM |
| 30 | I really wish the city would discontinue allowing recreational fires. It's bad for the environment and is a health issue for those of us with breathing problems. I can smell people burning half a block away. With houses so close together, it's too much of a nuisance. | 5/2/2017 1:32 PM |

| 31 | There are a few pedestrian spots on Minnetoka Blvd. where pedestrians have the right away but the cars speed and never let the pedestrians cross. It would be nice to have a police car present sporadically so that people know that it's a concern. | 5/2/2017 1:27 PM |
