1	Vehicle traffic (particularly speeding) is a problem on Brunswick between Wooddale and Lake St. Also the Wooddale, Hwy 7, railroad and bike crossing area is poorly designed and can be dangerous for many.	5/30/2017 2:27 PM
2	Parking traffic from thr roller gardens on our block and loud music playing after 11pm from people leaving roller gardens. Major traffic backups on our block from groves academy everyday at 3 pm to 4pm. Traffic back up on lake st and mtka blvd because of the no merge lane anymore. Cant get off our block at certain times of the day because there is not a good flow of traffic at that intetsection. Garbage and beer bottles from people parking on our street visiting the roller gardens. City doesnt seem to care about thier own residents. To concerned about bringing others into our city and then dont listen to us when we have a complaint. Police dont know the our own state law when it comes to how many feet a car should stop from a school bus when red lights are flashing and the stop sign is out. Police and city are more concerned about having high paying tax payers for business then listening to their own residents.	5/26/2017 11:37 AM
3	Wooddale bridge area around 7:30 to 8:00 workdays. Also getting onto HWY 100 at that time.	5/25/2017 8:18 AM
4	Cars speeding down Zarthan (south of Lake St. to 35th St.) Intersection of Wooddale and hwy 7. It's a hazard trying to turn left. It will get much worse if The Place is built.	5/25/2017 6:45 AM
5	The traffic is horrible on wooddale highway 7 bridge, 36th and excelsior Blvd. Speeding on hwy 7 is rampant 60 and 70 mph is happening. Where are the police. Give out 50 tickets a day easily.	5/24/2017 10:47 PM
6	Thefts from garages and cars seem to continue.	5/24/2017 4:25 PM
7	Speeding traffic occurs at all times of day. It seems that some individuals like to see how fast they can go from one end of the street to the next. We've also had a lot of loose animals, particularly dogs. Many owners letting dogs out without leashes or walking without leashes. I had a large unknown dog appear in my backyard with my 18 month old playing. Called dispatch and yet again, the lady was VERY rude and acted like I was bothering her. Dispatch told me that unless I knew the owner and saw them put the dog out without a leash than there's nothing to be done. I see loose animals all the time and it makes me so angry yet, police won't do anything until one of then bites my child. Lastly, we've had several thefts in cars and wandering, sometimes drunk individuals walking through the neighborhood throughout the years.	5/24/2017 4:20 PM
8	There are certain nights the roller garden attracts a large crowd of adults that park like assholes, leave garbage in the streets and play loud 'music' from their vehicles. There have been instances where kids have come up to my house begging for money to go to the roller garden while their parents sit in a vehicle outside.	5/24/2017 3:36 PM
9	Speeding on W Lake Street call, officers responded with a presence and it was effective. Snowbird cars on side streets left for over 4 days all year long, not just winter. Another parking issue is non residents use area side streets as a park and ride with Metro Transit. Suspicious car parked for long period 1 hour plus at around 10 pm with car running - police responded immediately and it appeared to be a good thing based on the reaction when confronted.	5/21/2017 5:50 PM
10	Not surprisingly, during all the construction people sometimes cut thru on Zarthan between Mtka and Lake St. Not right now with our new sidewalk being installed!	5/19/2017 6:29 PM
11	During rush hours traffic seems to but through residential street to Hwy 7.	5/18/2017 9:06 AM
12	Graffiti: I reported graffiti found on the new construction wall (hwy 7 road) near webster park this year Nuisance animals: there are many dogs in our neighborhood and some owners that live around us leave their dogs out all day barking. I am at home with my children during the day (we also have a dog) and it can be quite frustrating to listen to at times. Parking: we have neighbors who park vehicles in front of our house and do not move them for days/weeks at a time	5/16/2017 8:30 PM

## 2017 District 42 Sorensen Neighborhood Survey

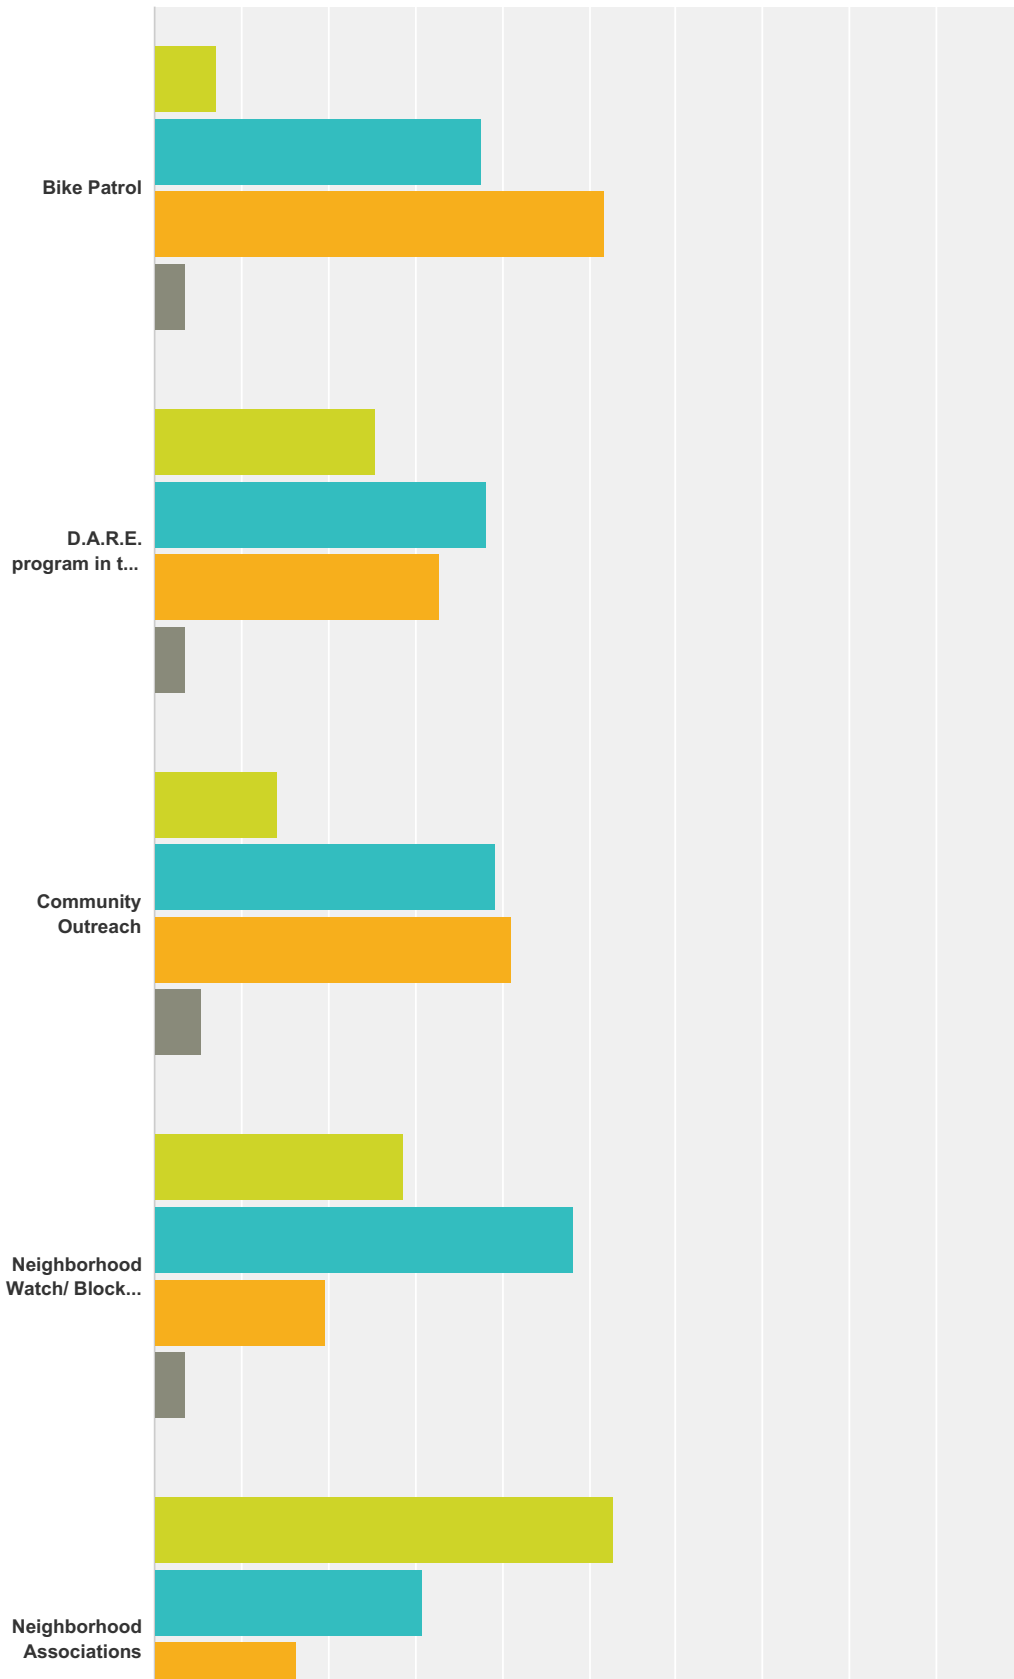

13	my neighbors across the street on 3200 block on the east side of Yosemite have had break-ins in their garages at night.	5/15/2017 12:13 PM
14	I live immediately next to dominoes pizza and caribou coffee. On the weekends a lot of loud noise from kids hanging out at the south end of the parking lot next to my house. It is very noisy, with loud music, drinking and smoking. I have yelled at them several times in the last 1 1/2 years I have lived here. The only thing saving me is my 6 foot white vinyl fence I placed when I moved in.	5/8/2017 7:22 PM
15	There has been graffiti on the new barrier. Cars not getting moved before the snow plow at times. Not sure about drugs at the park ( teens wander and spend time there but not consistent)	5/7/2017 2:00 PM
16	No problem.We have a garage. Just many cars on game days since we are 1/2 block from football field	5/7/2017 1:28 PM
17	Increased road traffic due to road work. Multiple barking dogs that are left to bark for hours by pet owners. I often end up leaving garden to go in house due to dog barking. Am never in garden without headphones so I won't hear all the barking.	5/6/2017 8:46 PM
18	The animals aren't the nuisance, it's their stupid owners- barking dogs. PARKING ON 34th St- Apartment residents in the winter are HORRIBLE. I LOVE shoveling out 8' of slush from the bottom of my driveway and the street because they're on TOP of my driveway. When can I bill you for my destroyed shoulder? NEIGHBORHOOD CUT THROUGH TRAFFIC ON BRUNSWICK between Wooddale and Lake Street. WHEN ARE YOU GOING TO DO SOMETHING ABOUT IT ONCE AND FOR ALL??? YES, I'M YELLING BECAUSE THE CITY OF SLP IS APPARENTLY DEAF. The neighborhood has only been complaining about it for 5 years, lets just make it worse by approving the monstrosity that is the PLACE development. Oh, that's right. They already did that....	5/6/2017 6:39 PM
19	Both parking and traffic and speeding issues at 34th and brunswick. Too high of speed and no one adheres to the yield signs along brunswick.	5/6/2017 6:34 PM
20	The biggest problem with animals is the neighbors on either side of use each have two dogs. When the dog are outside they bark nonstop. Our neighbor to the south will let his dogs out in the middle of the night. Sometimes they bark for 30 minutes at a time.	5/6/2017 9:48 AM
21	Speed of vehicles on Alabama between Lake St. and Minnetonka Blvd. 7-9 AM and 4-8 PM.	5/5/2017 9:51 PM
22	People have used my street , Brunswick Ave S , during the multiple construction projects and they drive way too fast	5/3/2017 8:55 AM
23	Animals - 2 large dogs roaming neighborhood. Graffiti - on sound wall by Highway 7 in the fall	5/3/2017 6:14 AM
24	Lake St and Zarthan -- used to be a stoplight, now a stop sign. At least once every other day we see cars on Lake running the stop sign -- not even slowing down, as if they don't see it. Someone is going to get hurt.	5/2/2017 11:58 PM
25	Roller garden on Tue and thur.night loud music when leave and people screaming.	5/2/2017 10:37 PM
26	Some vehicles drive to fast. Failure to yield at intersections. Parked vehicles too close to driveways.	5/2/2017 8:50 PM
27	Wooddale & hwy 7 traffic.	5/2/2017 8:26 PM
28	The Wooddale bridge or HWY 7 needs stop lights or some other way of directing traffic. Some times during the daily commute, traffic can be Nuts. It will only get worse if and when the new development starts ...(McGarvey coffee site)	5/2/2017 5:04 PM
29	The traffic flow and unsafe conditions at Wooddale Ave and Hwy 7 are still a major concern. Admittedly beyond the scope of the PD but needs to change. Traffic is heavy on Minnetonka Blvd and near High School at rush hours and start /end of school times. Concerned about pedestrian safety.	5/2/2017 4:59 PM
30	Morning and even rush hour speeding on Lake Street between Walker and Minnetonka Blvd. Using Brunswick Ave to cut through to or from Lake St and speeding on Brunswick. People driving without headlights on during rain or snow. Texting while driving. Off leash animals on Brunswick Ave near Lake Street. Excessive Parking on Brunswick Ave S and parking too close to the intersection at Brunswick and Lake Street.	5/2/2017 4:31 PM
31	I had to call in ongoing loud yelling / singing in the middle of the night by a person in the backyard of our nextdoor neighbor (3024 Zarthan Ave S) Also one of their visitors parked in front of our driveway for several hours this winter.	5/2/2017 4:30 PM
32	Live next to the roller gardens music from car and from the establishment and also parking in the driveway from them	5/2/2017 2:45 PM
33	1) In the morning, on Webster Ave, it appears the parents dropping kids off at Groves Academy take Webster as a short cut and are just driving too fast and some impatient behavior if they've ran up on me backing out of my driveway. 2) the exit on to HWY 7 from Wooddale on to Louisiana - the speed limit is 45 - people fly through there at 55 - 60 and come up on merging traffic and then honk - I'd love to see some police car presence to see if that would get people to slow down.	5/2/2017 2:28 PM
34	Living near the community center, rail road tracks, high school football field brings LOTS of noise, traffic, parking problems, loud children and teenagers, and restricted access to my neighborhood (by car and by foot).	5/2/2017 2:26 PM

## 2017 District 42 Sorensen Neighborhood Survey

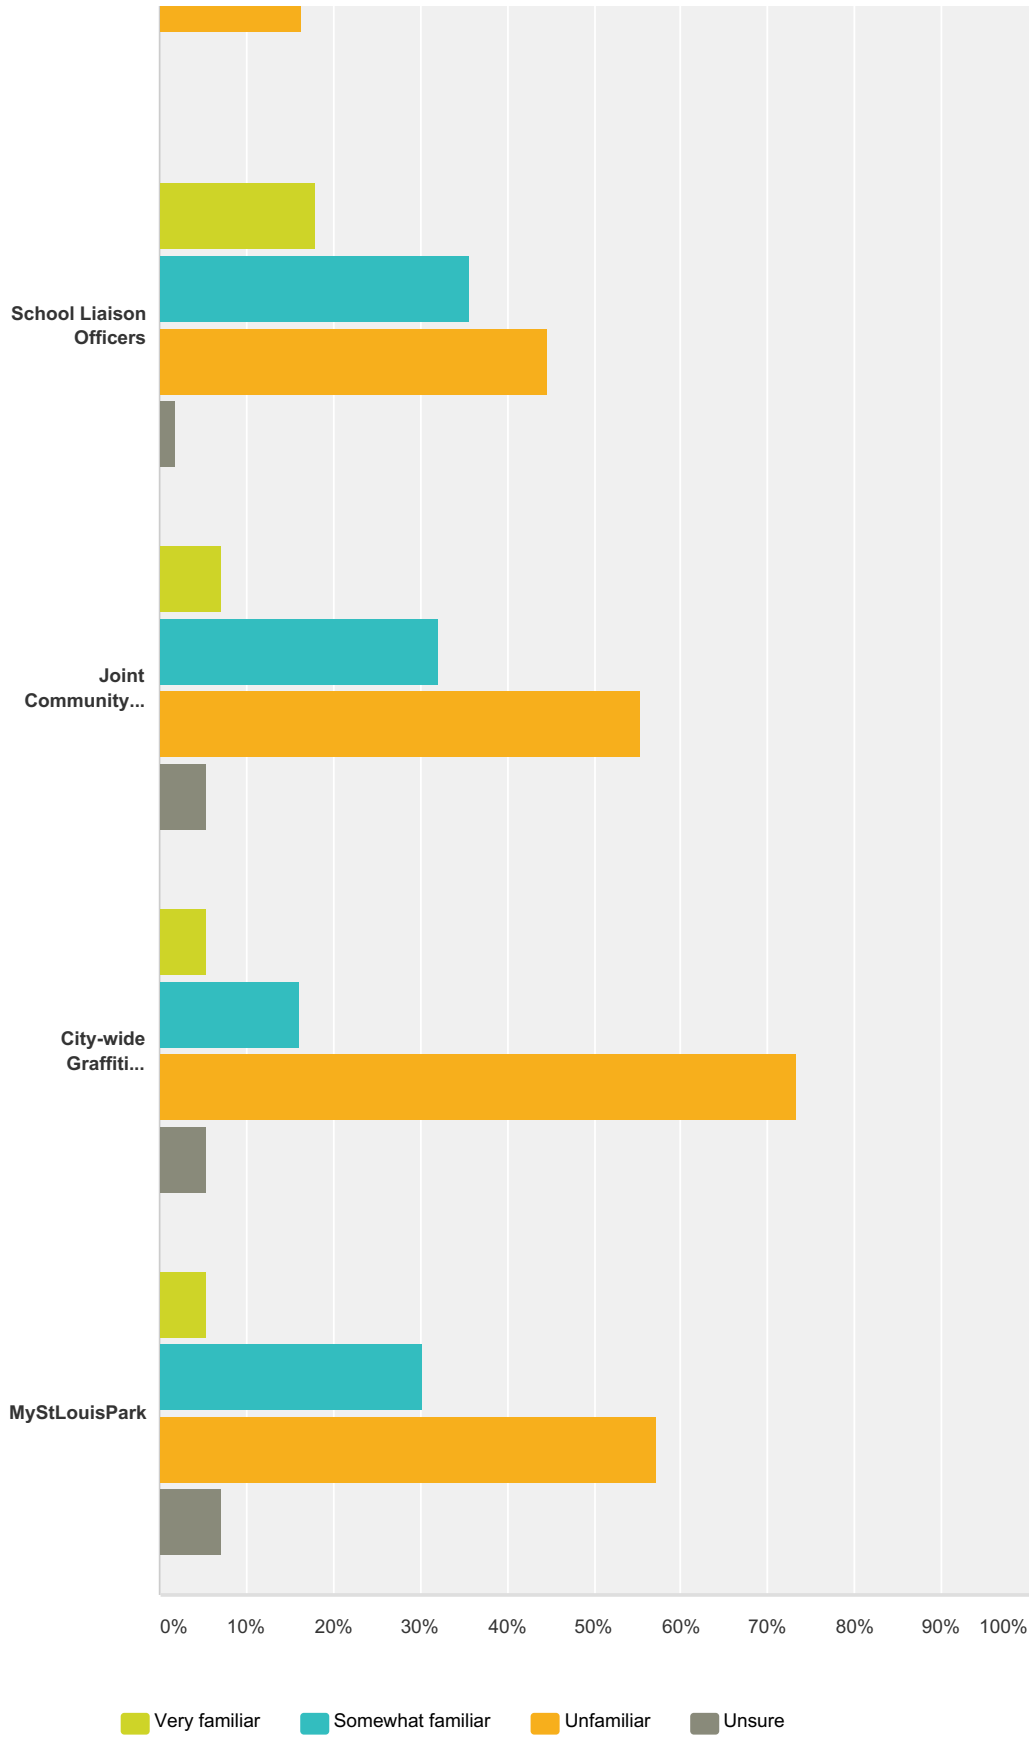

35	General neighborhood issues, nothing in particular, other than parking issues on Zarthan Avenue with residents and church attendees.	5/2/2017 2:01 PM
36	PACKAGES GOING MISSING	5/2/2017 1:51 PM
37	Traffic on Minnetonka Blvd is often loud - not sure there is a solution? Parking on Zarthan Ave is difficult due to narrow street - again no real solution for this. Neighbors can be loud late at times - not a serious issue.	5/2/2017 1:49 PM
38	Traffic around the lake/Minnetonka area is awful. The lights aren't timed so traffic is often backed up. At least once a week there is an accident at the intersection - usually caused by someone taking a left turn in front of others. Traffic from Groves academy is also heavy - and often very distracted drivers. It's quite frequently that I have near misses walking my dog due to parents on phones. We also receive a lot of overflow traffic from the skating rink - now that our street is being narrowed, this causes even more concern, especially for winter parking. That is the one part that makes me feel safe is the sometimes late nights the rink has causes many people to be on our street late at night.	5/2/2017 1:40 PM

1	When you have citizens calling to make a complaint take it seriously. And dont ever try to act like we are the idiots. Because right now none of our complaints have been sufficiently addressed and its been going on for yrs. So if you havent figured it by now, not happy with police or city.	5/26/2017 11:37 AM
2	Our neighborhood grant programs through the police department and Breanna Freedman are the envy of our neighboring cities.	5/25/2017 8:18 AM

5	Improving customer service in dispatch would be nice. I've called about loose animals, suspicious activity, and the constant and continued parking of unauthorized people in the handicapped parking spaces at McDonald's on West Lake. Dispatch has been AWFUL!!! There's one woman that will answer and she is so rude that it's absolutely improper.	5/24/2017 4:20 PM
