1	Rush hour (morning and evening). Weekend mornings. I believe a large part of the issue is that I live on a dead end road, living spaces continue to be built and there are limited roads to get out of our neighborhood as a result. In addition, the trail system is across from my condo unit which brings increased parking issues and traffic on weekends.	11/15/2016 5:07 PM
2	715am to 800am, BSM students speeding down 1600 block of Princeton Ave, trying to get around backup on frontage road. I yelled at one student to slow down and he gave me the finger :(	11/15/2016 10:48 AM
3	The intersections of : Quentin Ave/Frontage Rd & Old Cedar Lake road and Quentin & Cedar Lake Rd are really bad at the evening rush times. Cedar Lake road backs up past Lifetime fitness most evenings.	11/14/2016 8:57 PM
4	Speed	11/14/2016 6:13 PM
5	I live at Cedar Trails on 4584 Cedar Lake Rd, and I take the bus every day to work. It's just a matter of time before there's a head on collision out there. It's just crazy how often people cross the double line and go head first into oncoming traffic to pass the bus.	10/31/2016 9:24 PM
6	Traffic into and out of JCC on Cedar Lake Rd is too fast, won't stop for pedestrians at bridge at end of road.	10/31/2016 4:25 PM
7	Cedar Lk. Rd. between JCC & access to/through 100. Also going east on Cedar Lake Rd. to access to 100. Traffic is what it is everywhere.	10/28/2016 3:43 PM
8	Cedar Lake Road between Hwy 100 and the Jewish Community Center- particularly coming out of the the JCC towards Hwy 100- pedestrian and bike traffic is busy and cars don't seem to car. I think that a required stop for pedestrians should be enforced. I think part of it is putting up a sign to stop for pedestrians in the crosswalk coming out of the JCC. Something, as people are frequently speeding on Cedar Lake Rd as well. I know there has been more signage put in and sometimes those MPH signs, so appreciate the effort so far, but it seems like a partnership with the JCC would be helpful (especially to cut down some of trees/shrubs to help cars see to the crosswalk). Thank you!	10/23/2016 10:39 AM
9	In the morning rush hour cars fly down Princeton Ave	10/22/2016 4:22 PM
10	The 3 way stop by Cedar Lake Rd. and Quentin get pretty backed up in the morning and in late afternoon (4-6pm). Also I've noticed in general some people don't allow people to merge or respect the 2 lane traffic lights going on to 100. I know this is a problem in other parts of MN, but I've noticed it a lot more in SLP.	10/20/2016 4:20 PM

## 2016 District 41 Cedarhurst Neighborhood Survey

11	There is no need for a do not enter sign in the morning on Natchez Ave S going north into golden valley. I live on that street and should not be ticketed by GV police for driving on my own street. Please get the GV police to stop ticketing residents of cedarhurst for driving in their own neighborhood.	10/20/2016 12:41 PM
12	Intersection of cedar lake road S and Quentin during rush hours. Not dangerous, but terribly congested.	10/20/2016 7:59 AM
13	Tons of traffic at Old Cedar Lake Road and Quentin from 4 PM to 6 PM. Eh, what are you gonna do.	10/19/2016 9:06 PM
14	People going to and leaving the Sabes JCC, particularly when before or after day school or hebrew school. Also, rush hour around Cedar Lake Rd and Old Cedar Lake Rd (Mpls Fiat) can get VERY congested.	10/19/2016 7:57 PM
15	Around 3 p.m., lots of traffic to/from Jewish Community Center; 4-6 p.m., heavy traffic at Cedar Lake Rd and Quentin (freeway access)	10/19/2016 5:13 PM
16	There should be a sometimes. It is mostly in the morning when BSM is going to school and around 5:30 when everyone is going home. People just don't get the stop signs and yield signs. Then those who are frustrated cut through our neighborhood, speeding down the street. Other than that the neighborhood is relatively quiet.	10/19/2016 10:00 AM
17	JCC patrons/guests drive excessively fast on Cedar lake Road	10/18/2016 11:32 AM
18	Heading west on cedar lake road from the LifeTime fitness to the Cedar Trails condos. Traffic is horrible in the evening rush hour due to all of the cars trying to get onto 100. I come in on 100 southbound and after I exited on cedar lake road it took me 15 minutes to go less than a mile.	10/17/2016 6:10 PM
19	Traffic to/from JCC is unsatisfactory due to speeding. A woman actually honked at me while I was crossing in the crosswalk near the JCC. I complained to the reception desk at the JCC just to make me feel better.	10/16/2016 9:24 PM

1	OMG - yes! The house is actually in Golden Valley, right across the border from me. Anyway, they have a little dog they put out about 6:20a every morning, and it barks, and it barks nearly every minute it's outside. It's obvious unbalanced, and I feel terrible for it, they offer no leadership to a pack animal. <a href="https://www.google.com/maps/@44.96682,-93.3380104,3a,75y,147.94h,88.83t/data=!3m6!1e1!3m4!1sfmOAWUf6dXyLNFTMV8kozQ!2e0!7i113312!8i6656!6m1!1e1">https://www.google.com/maps/@44.96682,-93.3380104,3a,75y,147.94h,88.83t/data=!3m6!1e1!3m4!1sfmOAWUf6dXyLNFTMV8kozQ!2e0!7i113312!8i6656!6m1!1e1</a>	10/31/2016 9:24 PM

3	Not totally a nuisance but a neighbor lets dog bark for a long time.	10/22/2016 4:22 PM
4	Several dogs in the neighborhood are consistently off a leash, and charge out and try to attack my dog when we are on walks. My dog is leashed at all times.	10/19/2016 4:57 PM
5	Deer are a frequent problem however. Crossing busy roads at dawn and dusk.	10/18/2016 11:32 AM
6	A mild complaint: Some people think the Cedar Trails Condominium area is a public park land in which to walk their dogs. I have had to enlighten a few, as it makes our association liable in case one of them has an accident, such as tripping and getting injured.	10/16/2016 9:24 PM

1	Love the St. Louis Park police department!	11/15/2016 10:48 AM
2	The Pedestrian crossing sign at the JCC entrance has slowed some folks down, but a joint education program between police and patrons there might do more good. Each person needs to be told to slow down.	10/31/2016 4:25 PM
3	Today I was biking along the south metro bike path, which cuts across your city, minding my own business , when today one if your officers decided he should drive his squad car down the bike path (no lights or audible sounds). As we approach I waved at him and he stopped and demanded/barked that I come back to talk to him. His attitude and demeanor were extremely hot, confrontational, abrupt and rude. He wanted to know what my problem was,(remember I am biking on a designated bike path, doing nothing wrong). I indicated that a car on the bike path was not expected. He said he was patrolling the bike path and barked at me to not ride down the middle of the bike path (really its a bike path not a road). I told him have a nice day and left. My friend with me wistnessed it and said he was ready to get his phone out and record the situation because the cop appeared to have a big a chip on his shoulder. He said if I was black, I would have been taken down and my face would have been pushed to asphalt and hand cuffed. Perhaps your police officers can be better stewards of the community, may be patrol the bike paths on say bikes, be actually nice to citizens and promote a good image. If the cops are too lazy to bike on the bike path, maybe they should actually put on their hazard lights and audible sounds (he had no lights on and no audible signs) to indicate their presence rather than trying to drive the cyclists off the bike paths. With cops like I saw in your city today, your citizens should be very concerned. I cannot condone that behavior that I personally witnessed today and don't need to hassled for simply biking through your city.	10/29/2016 10:02 PM
4	I appreciate your work & the challenges you face.	10/28/2016 3:43 PM
5	Where I live things seem to be pretty safe, but then again, I don't venture out alone at night except driving somewhere. I also don't walk on the trails as a single female alone unless I'm biking.	10/20/2016 4:20 PM
6	I have seen predatory stops by SLP police for drunk driving at the exits of SLP bars. This is unethical, profiling, and over policing that only reduces the trust in the ethical trust of the SLP police department. You will get treated as you treat the public.	10/20/2016 12:41 PM

11	I moved to St. Louis park in June and have felt safe ever since moving into the cedarhurst neighborhood. As a single female I don't generally go outdoors alone after dark. My only other recommendation would be to have more lighting on the cedar lake trail. I've gone running a few times at dusk and it was not very well lit. That is the only time I've felt a little unsafe.	10/17/2016 6:10 PM
