#	If no or unsure, why?	Date
1	I attempted to report an abandoned/vandalized car situated on Runny Meade for over a month, and I couldn't find a number for SLP Police in the phone book. I ended up calling Minnetonka and was treated like it was an imposition. I was told the call would be passed along, but the abandoned Audi with spray paint on the license plate sat there for several more weeks.	11/2/2016 9:11 AM

#	Additional Comments (Specific locations, time of day, etc.)	Date
1	When 16th St exit/entrance to 169 is closed this fall I think we will have a much higher volume of high speed traffic on Ford Rd.. I'm very concerned.	11/16/2016 9:52 PM
2	Ford Road during rush hour	11/14/2016 11:01 PM
3	Morning traffic has become more of a concern on Ford Road on school days in particular. It's almost impossible to turn onto Cedar Lake Road or the Wayzata Blvd. service road due to the constant stream of traffic. Hate to think of additional stop lights being installed but that's probably inevitable.	11/2/2016 9:11 AM
4	Heavy traffic on ford road and 18th street - early morning and late afternoon	10/27/2016 10:34 AM
5	Driving too fast. Melrose Ave. -Parker Rd. around the loop and corner.	10/24/2016 4:17 PM
6	It will be addressed, but the 16th Street exit from 169 South has been an issue. People exit going too fast and I don't feel safe crossing 16th with my children or dog. Worst is during evening rush-hour, but it can be bad at other times as well.	10/19/2016 1:01 PM
7	Rush hour time slots on Ford Road. Intersection with Cedar Lake Road most troublesome.	10/19/2016 10:53 AM
8	16th Street during rush hour. This should subside when the access to 169 is closed	10/19/2016 10:51 AM
9	16th Street can have a lot of traffic above safe speeds between the ramps and Ford Road.	10/19/2016 9:57 AM
10	At times people are driving too quickly through the neighborhood but not on a regular basis.	10/19/2016 9:08 AM
11	worried about when they close exit as ford road has already gotten busier	10/17/2016 6:33 PM
12	Entrance and exit of 169 off 16th St. Cars exit too fast and come down the hill onto the highway too fast.	10/17/2016 6:52 AM

Q14 Are nuisance animals, (e.g. barking dogs, individuals not picking up after their animals, at large animals) an issue in the Kilmer Pond Neighborhood? If yes, please be specific with locations, time of day, etc.

#	Additional Comments (Please be specific locations, time of day, etc)	Date
1	Too many cats running Melrose 1800 T. Pl loose	10/24/2016 4:17 PM
2	We have a neighbor who lives at the top of Kilmer and Lancaster that allows their dogs to roam freely. The dogs make messes in our yard, as well as other neighbors. I have also seen them scare other dog walkers away, who have their dogs leashed. We have spoken to the neighbor a couple times, but it hasn't resolved the situation.	10/19/2016 1:01 PM
3	Not a big problem. I live on the corner of Parker Road and Parker Lane with an inviting Fire Hydrant. Once or twice during the summer I will find a deposit. All of the neighbors are very good about carrying bags and picking up.	10/19/2016 10:53 AM
4	Most people are good about controlling animals on using leashes. Where Kilmer and Lancaster come together, there are sometimes dogs off leashes that bark and run onto the street to challenge people. It is not easy to tell whether this is a threat or not.	10/19/2016 9:57 AM
5	barking dogs- fairly rare	10/17/2016 6:33 PM

Q25 Please type any additional comments, concerns, or suggestions you may have for the St. Louis Park Police Department. If there is something that you feel needs immediate attention, please call the police non-emergency phone number at 952-924-2618. If you have a concern that you would like us to contact you about, please specify the concern below and provide daytime contact information. Thank you.

Answered: 8 Skipped: 14

#	Responses	Date
1	After closure of 16th St. to 169 I see a major problem for vehicles trying to access Cedar Lake Rd from SB Ford Rd. A combo of an uphill grade on Ford and a curve on Cedar Lake Rd creates a poor sight distance. Add to that an increased traffic volume on Ford Rd and I think we will see congestion at that intersection. I realize that this area is located in Mtka but it will affect us in the Kilmer Pond area also. Thank You	11/16/2016 9:52 PM
2	I wish there was heavier enforcement of watering bans, etc. I have one neighbor in particular who thinks those rules don't apply to him, and he even drains his underground pool into the street each season. I can't imagine those chemicals are good for our water supply. Surely someone should be able to see that he uses an overabundance of water via the water meter for his sprinkler system, pool, etc. Hate it when most folks abide by the rules and one doesn't.	11/2/2016 9:11 AM
3	Would like more routine police patrols and parking enforcement	10/27/2016 10:34 AM
4	Would like a sign that reads no compression brakes going down hill on 169 & 394 by Kilmer Pond. Very bothersome and not necessary or slight hill. Retired truck driver 46 years.	10/24/2016 4:17 PM
5	Having been a resident for MANY years, I feel St Louis Park has done a great job. The Police Dept has always been very responsive any time I have ever called. Thanks	10/19/2016 1:26 PM
6	I am hoping that the SLP police are receiving and using implicit bias training. Because of the increased awareness of police power, and that police officers are regular folks, it may be helpful to recognize that there are a lot of people who are nervous about any interactions with the police.	10/19/2016 9:57 AM
7	Appreciate seeing the police cars cruise through the neighborhood- sometimes I feel like we get forgotten by other city services	10/17/2016 6:33 PM
8	Kilmer Avenue around the pond only has two street lights and they are both at the end of the circle. Both have now been out about a month. The street is very dark aT NIGHT.	10/17/2016 6:52 AM
