1	At that stop sign on Franklin and Maryland so many cars go right through and some fast. They could make a lot of money if the police would park about 3 houses back and watch.	11/15/2016 3:06 PM
2	Cars speeding by on Pennsylvania Ave S after the stop sign at 16th St. Usually around rush hour.	11/15/2016 2:37 PM
3	The 4 way intersection at Maryland Av. South and Franklin has stop signs for the east bound and west bound traffic, with a smaller, unofficial stop sign put up by condo/apartment for drivers traveling north onto Franklin. Drivers traveling east and west don't yield to drivers turning off of Maryland onto Franklin, so you might as well make the intersection a 4 way stop.	11/15/2016 9:23 AM
4	Louisiana Ave - all the time. Franklin in front of the condos. People going very fast and do not obey the stop sign	11/11/2016 8:44 PM
5	There still is a fair number of drivers who ignore stop signs in the neighborhood.	11/9/2016 11:39 AM
6	I live on Pennsylvania the only through street to the frontage road on 394. The speed that cars travel on my street is excessive frequently due to the poor locations of stop signs.	11/2/2016 11:31 AM
7	speeds on Louisiana ave are out of control and I don't see anything being done to control the speed of traffic.	11/2/2016 10:01 AM
8	Texas Ave S at Wayzata Blvd. Northbound in the afternoon rush hour (4-6pm), there can be quite a delay trying to turn off of Texas where it T-junctions into Wayzata.	11/1/2016 3:16 PM

15	Traffic backs up on Louisiana Ave. from 394 to Minnetonka Blvd. during rush hours heading north in the AM and south in the PM.	10/19/2016 2:02 PM
16	Texas Avenue during rush hours, specifically during the school year. I do feel that most motorists are abiding by the speed limit and honoring the stop sign, especially when school children or pedestrians are around. I am concerned about the North end of Texas Ave and how traffic patterns might change with the addition of the incoming apartment complex. The current traffic situation will not be adequate should the city move forward with building on those plots.	10/19/2016 1:35 PM
17	Neighbor own and has too many cars on the street	10/19/2016 9:01 AM
18	3:30 to 6:00 pm intersection at Louisiana & 14th St W Not to worry, other neighborhoods have much worse traffic.	10/18/2016 4:16 PM
19	The right turn lane on westbound wayzata boulevard at Louisiana is problematic as many people do not stop at the red light and wait for those trying to turn from the eastbound side while they have a green arrow. As many of those turning on the green left turn arrow are trying to cross and then take the 394 east ramp this can be dangerous at busy times of day. I would really like to see a no turn on red at that intersection for the right turn from westbound wayzata boulevard to northbound Louisiana Avenue.	10/17/2016 11:39 AM

1	Several of my nearest neighbors have dogs; however, they don't prove to be a nuisance to me. I do rarely catch the sound of a bark from their backyards or similar, but nothing that amounts to being bothersome.	11/1/2016 3:16 PM
2	It has been an issue with neighbors in the past that has mostly been addressed - no recent issues.	10/30/2016 10:38 AM
3	Many dogs running unleashed in Park. People don't pick up after them.	10/20/2016 9:36 AM
4	Police responded to my one call regarding a barking dog and the barking has ceased. 2 small yappers on Maryland and the owner has refused to control them..	10/19/2016 4:52 PM
5	There is a dog leash law that is not being heeded by people walking their dogs around the lake near Pennsylvania Ave. I have been chased by dogs not on leashes while riding my bike on the path around the lake.	10/19/2016 2:02 PM
6	I believe most neighbors are respectful of cleaning up after their dogs and keeping dogs on leashes while in the Lamplighter Pond area. Of course there are a few who do not pick up after their dogs but only a few. The trash bins and recycling bins in Lamplighter (in all three locations) are a huge help and make it convenient to do the right thing! A special thanks to the community members that make that happen.	10/19/2016 1:35 PM
7	Overall people are responsible - like the bags available by the ball fields.	10/19/2016 10:40 AM
8	Hardly an issue, but worth a mention: One dog, small black long hair chihuahua, roams free on 14th St W just west of Louisiana. Chases people, barks and has bitten me twice (talked to owner).	10/18/2016 4:16 PM

1	18 and Maryland in the evening it has some what better lately.	11/15/2016 3:06 PM
2	Reducing to one side only parking on Pennsylvania has tightened the street parking availability somewhat. It seems to be enough though.	11/15/2016 2:37 PM
3	While street parking along Texas Ave S was recently redesigned as the bike lanes were developed, there is still ample parking near my residence.	11/1/2016 3:16 PM
4	Cars park in posted no-parking or during snow emergencies - nothing is ever done about it.	10/20/2016 9:36 AM
5	in front of my home - 7701 13 1/2 St W - during winter - ALWAYS A PROBLEM	10/20/2016 9:15 AM
6	"No Parking On This Side Of Street" signs on Pennsylvania Ave. across the street from Pennsylvania Park are not being heeded or monitored. Is the reason for these signs to keep children safe by discouraging them from getting out of a parked car and crossing the street to go to the park? If so, it makes parking on the side of the street next to the park for softball games difficult, since cars are parked on that side for people using amenities in the rest of the park and cars are parked on that side that belong to people living in, or visiting, the apartment buildings at the top of the hill next to the park. Cars do tend to drive faster than the speed limit on Pennsylvania Ave. next to the park, especially when cars are going DOWN the hill. Would adding speed bumps discourage this?	10/19/2016 2:02 PM
7	Neighbor own and has too many cars on the street	10/19/2016 9:01 AM
8	There is a house that apparently rents to individuals who park their cars in from of my house	10/17/2016 12:21 PM
9	Parking is a problem on the very north section of Texas as it obscures the already difficult sight lines for those trying to turn left off of 13th lane to go south on Texas. People frequently park on the east side of Texas very close to the intersection with 13th lane which makes it very difficult to see whether traffic is coming south. Given that it is already difficult to see if traffic is coming north this can make it dangerous when making that left turn from 13th lane to southbound Texas Avenue. I am concerned that with new housing units going up in the area this will become more of a problem than it already is.	10/17/2016 11:39 AM

1	But I have gotten up at 2:00 and see a neighbor riding his bike at that time of the night wondering where he is coming from	11/15/2016 3:06 PM
2	The parking lot of Park Assembly of God church (at 1615 Texas Ave S) is a veritable hotbed of activity. Cars often come and go at extremely late hours every day of the week. During the daytime, there is lots of traffic as folks park to then walk around Lamplighter Pond, or to play with their dog or practice their golf swing in the park area south of the church, and that seems like reasonable behavior. Some folks are probably just eating their lunch in their car, or the like. But the activity after dark often makes me suspicious; I can't come up with a good justification for a lone car driving in, parking for a bit, and then taking off. This happens quite a lot at night.	11/1/2016 3:16 PM

1	Job well done.	11/7/2016 8:50 AM
2	Seems from this survey that the SLP Police Department dose not seem to know what is going on in my neighborhood. Only see them drive through my neighborhood maybe once or twice a year.	11/2/2016 11:31 AM
3	Nothing specific at this time, but I wanted to say thank you for the help, and I appreciate you eliciting feedback from the residents you serve.	11/1/2016 3:16 PM
4	I am interested in budget information - what are the main line items, costs associated with them (not looking for individual salaries), where are the shortfalls, what capital expenditures are pending, etc.	10/20/2016 9:36 AM
5	My neighbors never see a police car go down the street (probably a good thing in reality) but they would like to see one periodically just to know that our area is being covered/watched. I think that would go a long way just to let everyone feel more comfortable.	10/19/2016 4:52 PM
6	My few interactions with the SLP Police have been extremely positive and I appreciate the protection and support!	10/19/2016 1:35 PM
7	We'd love to see more police presence in the area.	10/19/2016 11:21 AM
8	Thank you for seeking input!	10/19/2016 10:40 AM
9	I am concerned that the blue house on the 1400 block of Nevada Ave is owned by a hoarder. It is possible health and safety concern related to fire for the neighborhood.	10/19/2016 9:01 AM
10	Thanks for your service!	10/18/2016 4:16 PM
