4	We tend to have issues with people speeding on their way to their sports practice/games during the times that the field is in use. Our concern is that we have little ones and neighborhood children playing in yards near the street. I'm only speaking for the Pennsylvania Ave south route to the field.	11/14/2016 8:23 PM

13	Rush hour, bus stop/cross walk corner of Cedar Lake Road and Sumter Ave S	10/19/2016 6:36 PM
14	With all the work on Highway 100, Louisiana Avenue has had a rough time of it. But even when construction on 100 isn't an issue, it's still a pretty main thoroughfare and things can get ugly - particularly around the intersections with Minnetonka Blvd and Cedar Lake Road.	10/19/2016 5:00 PM
15	Cedar Lake Road from Texas to Virginia, 4-6pm. Inadequate bike lanes along this bike route.	10/19/2016 4:29 PM
16	Louisiana Ave during commuting hours.	10/19/2016 3:00 PM
17	But pretty busy on Cedar Lake Road and Texas during 7-9 am and 4-6 pm.	10/19/2016 1:50 PM
18	Cars tend to speed through the neighborhood on their way to the junior high field. This can be an issue when we have little ones playing outside.	10/19/2016 1:40 PM
19	The crosswalk over Cedar Lake Rd at the intersection of Cedar and Rhode Island is very dangerous. I've stood there for over 5 minutes with my children, wife and dog waiting to cross and drivers refuse to stop. When someone finally does stop, people try to go around them which causes an even more dangerous situation. The city has added a sign in the middle of the road during the summer but it has had little effect. I don't know what the solution is, blinking lights initiated by the pedestrian maybe? I'm sure that would be costly.	10/19/2016 12:58 PM
20	People won't stop for pedestrians at crosswalk of Cedar Lake Rd and Rhode Island Ave S. Need permanent visible sign with blinking lights. Lots of kids in the neighborhood that cross there to get to Willow Park.	10/19/2016 11:07 AM
21	We live on W. 24th Street off of Louisiana & Cedar Lake Road. I ride the bus to work every morning and NO ONE stops in the cross walk. It is horrible. My brother and sister in law who visited with my 3 nieces last summer have lived in DC, Boston, and other large cities and couldn't believe how rude the drivers were on Cedar Lake Road and how few of them stopped for them!	10/19/2016 10:16 AM
22	Car's come up the street way too fast when they use the Quebec/26th Street shortcut to get from Cedar Lake Road to get to Virginia Av. There are more kids in the neighborhood and a child is going to get hit if this continues.	10/19/2016 9:39 AM
23	Around rush hour some people tend to speed down my street. They are traveling west on Cedar Lake Road and if there's a red light at Texas they will turn North on Sumter Ave S and speed down as a short cut.	10/19/2016 9:34 AM
24	Although, I work a very long day, most days, so am not around to notice.	10/19/2016 9:31 AM
25	Turning onto Cedar Lake Road can be a harrowing experience. People tend to fly and visibility off some of the streets is hindered by overgrown trees and shrubs.	10/19/2016 9:31 AM

1	I can't list too many specifics, unfortunately, but I know there are several people in the area who like to drive loud vehicles (motorcycles with perforated mufflers, muscle cars) at late hours in the summer months. Those kinds of vehicles are annoying at any time of date, but late at night they're particularly obnoxious.	10/19/2016 5:00 PM
2	There is a man who drives a green Saturn sedan who lives on Oregon avenue. The vehicle has such a loud sub woofer, it rattles the windows in my house. He drives on cedar lake and Oregon ave at all times of day and evening. Definitely a noise complaint that is beyond just an a average noisy car.	10/17/2016 9:48 PM

1	We are grateful for our very dedicated Police Dept in St Louis Park - Love our city & neighborhood!	11/15/2016 9:04 AM
2	You people are doing a good job	11/5/2016 10:00 AM
3	I moved here from south minneapolis, so far I have been more than pleased with the livability of my neighborhood.	10/31/2016 3:35 PM
4	Texas Ave in front of middle school is a mess when people are dropping off students in the morning. Many people pull out dangerously into street traffic onto Texas. It would be much better if parents were able to use parking lot in the back of the building to drop off students.	10/29/2016 4:35 PM
5	SLP Police are the best. Glad I live in this community.	10/28/2016 3:34 PM
6	Have had great interactions with officers at events with the kids this year. There are so many officers but we are unsure if there are a few regularly assigned to our neighborhood. Would be happy to hear from them somehow or meet them if so. There is a regular police presence and visibility thru the city which is comforting. Were a bit concerned about burglaries and security of our home/s this spring d/t break in reports in neighboring areas and near by.	10/23/2016 10:28 AM
7	I rarely see patrol cars driving through my neighborhood at night. I hope they are doing so.	10/21/2016 9:31 PM
8	I would just like to thank you for the great work you do for this city everyday and for your service.	10/20/2016 9:41 AM
9	I am most concerned about theft and burglaries as I heard a neighbor had a break in about a year ago.	10/19/2016 9:25 PM
10	Not a police issue, but I see sidewalks are being added in some neighborhood. It would be a great if our neighborhood had sidewalks. that is a good way to get to meet the neighbors. safer for the kids too. (w 25th.)	10/19/2016 2:53 PM
11	Although I am thankful and appreciative of the SLP police department, I think the "thank you" signs initiated by one of our citizens create a divisive issue for the City where none existed before. I hope some officers see it that way too.	10/19/2016 1:50 PM
12	I really appreciate what the St. Louis Park Police Department has done for our great city. Unlike neighboring cities such as Edina (setting up speed traps, random stops, looking for expired tags, etc), I observe our police focusing on the major issues and leaving well intended citizens alone. THANK YOU!	10/19/2016 12:58 PM

14	All staff we've encountered have been great - neighbor's attempted break in response, NNO, ECFE Vehicle Fair, etc.	10/19/2016 9:31 AM
15	Thank you for all that you do. Blue lives matter.	10/18/2016 4:57 AM
16	The police responded to my 911 call to drunk man at my back door in the middle of the night. The officer was kind and respectful in dealing with the situation.	10/17/2016 9:48 PM
